Introduction to Jewish Dialectics.

Global Jewry has long used a formula of dialectics, creating a false choice between a left hand side (staged enemies) & a right hand side (staged heroes), to advance their revolutionary plans for world domination.

This Judeo-Masonic sculpture in Maryland brazenly depicts this formula. The Left Hand (which sits on a black base) is pointing over to the open Right Hand (which sits upon a white base). This reflects the Occult Powers' practice of using the Left Hand (the "dark side," which brings about destruction and chaos) to scare people into the open, welcoming the Right Hand (the "light side," which brings about construction and order). The pyramid represents the pyramidal structure of the world they are building towards, with the antichrist as the capstone (as also depicted on the US one dollar bill.)¹

As succinctly summed up in the excellent 1962 book 'Plot against the Church', written by high Church prelates, under the pseudonym Maurice Pinay:

"But the sinister ends of the Judaic revolutions have been carefully concealed from the masses, which have always been deceived with attractive programs designed to carry them along, making them believe that the heresy or revolution is a movement arising from the people themselves, for their benefit, to establish democracy and liberty, to suppress the abuses and immoralities of the clergy or the civil authorities, purify the Church or the State, end tyranny and exploitation until the earth is converted into a paradise.

Initiating a revolution with the highest and noblest ends in view, in order to take it later into the most perverse objectives, has been the traditional tactics of Judaism for 900 years. Naturally, unwary people, entrapped by the deceitful leaders and by programs as fake as they are attractive, one day become aware of the criminal deceit, but sometimes this occurs when there is no longer any remedy and the betrayed ones are either annihilated or enslaved, suffering the consequences of their ingenuousness."

In visual detail - the Jewish created dialectic for the Eurasian NWO.

Kabbalist Bolshevik Aleksandr Dugin (aka "Putin's Brain", an Aleister Crowley devotee) is a primary architect of the Great Awakening / Great Reset Dialectic for the NWO Religion & proponent of war/ societal transformation for the Eurasian NWO. A few of Dugin's collaborators are: Vigano, Opus Dei & Alt-Right "Catholic" pundits (more info later).

The Two New World Orders

The key to understanding the Jewish strategy in implementing the New World Order, is to understand that there are actually two NWOs: a Jewish Western-fronted **GLOBALIST DECOY** New World Order and a Jewish **BRICS/EURASIAN-fronted REAL** New World Order. Once you understand this, all of the confusing information floating about the mainstream and alternative media will start making sense.²

The main personalities of both the Globalists and the Eurasianists are openly Jewish or crypto-Jews:

To demonstrate how long-planned this dialectic and its connection to satanism, in 2002 the Russian website 'Lenin' for which Dugin wrote articles and which promoted satanist Aleister Crowley, published the below image, portraying the dialectic for the Jewish Eurasian New World Order, as the work of Baphomet.

To attempt that the Church deny the tradition of its character as a source of doctrine and to admit such an attribute only to the Holy Bible, more or less equates to the intention of causing it to contradict itself. This would accordingly mean that that which had been maintained for almost twenty centuries to be white was now declared to be black; and in fact with the devastating result that the mystical body of Christ, on grounds of contradiction, would forfeit its respect in the eyes of the faithful, since indeed an institution that contradicts itself in its essence can with difficulty be called divine.

A step of this kind would bring Holy Church into such an impossible situation that it could not be justified through the wishful image of the longed-for Christian unity, whose realisation at the moment would be very problematical. But should this dream become fact upon such an absurd basis, then this would signify that Holy Church recognises it has been caught up in error and its faithful would as a result turn in masses to Protestantism, whose essential postulate has always been from of old to recognise solely and alone the Bible as the source of true revelation and to refuse such a character to the tradition of

Freemasonry is controlled by Jews

Grand Orient Freemasonry Unmasked - By Monsignor Dillon, 1884.

amazon.com/Orient-Freemas...

" In a note on page 20 of the original edition Mgr. Dillon returned to the question of the direction of Freemasonry, which he had mentioned in his preface. He there says: "The Jewish connection with modern Freemasonry is an established fact everywhere manifested in its history. The Jewish formulas employed by Freemasonry, the Jewish traditions which run through its ceremonial, point to a Jewish origin, or to the work of Jewish contrivers Who knows but behind the Atheism and desire of gain which impels them to urge on Christians to persecute the Church and destroy it, there lies a hidden hope to reconstruct their Temple, and in the darkest depths of secret society plotting there lurks a deeper society still which looks to a return to the land of Judah and to the rebuilding of the Temple of Jerusalem?"

The Jewish Question in Europe: The Causes, The Effects, The Remedies from La Civiltà Cattolica, vol. VII, no. XIV. 1890.

Part II: VIII. Whence Freemasonry?

"Let us now assert, along with various other authors, that the sect of Freemasonry was, in its first instance, created by Jews. This assertion is now able to be proven, although it is contrary to what the more wary historians say. It is certainly so that Judaism in past centuries was the one to introduce Masonry; and using its diabolic talents, imbued it with its spirit, directing it toward its goals, incorporating itself into it and making it part of its living power, in order to lead it wherever it wished.

In order to arrive at this perfect model of domination, which was always and still is the ultimate superstition of talmudism, the Jewish genius understood that there was a formidable obstacle in its way, one that barred them from the baptized world, consequently making it impossible to gain access to the much coveted gentile domain. That is to say, this obstacle was the Christian religion, the basis of all of the institutions and laws, and from which, over the centuries, flowed the regulation of the civil order. But, in order to gain access to the structure of the Christian religion, and especially, of Catholicism, it occurred to the Hebrews that the best method would be to work under water, by lyingly sending out their representatives to run ahead of them, and hiding themselves behind them; in order to hide the Jewish claw from all blame. In sum, they needed to make their assault through soldiers not their own, so as to make the fort fall in the name of liberty. It was therefore necessary to scale this stony foundation, in order to overturn the entire edifice of Christianity. And in service of this they have joined hands with the head of the occult world, by means of Freemasonry, which is subject to them.

Thus, the bonds that unite modern Judaism to Freemasonry are now evident, and ought to put to rest any doubts. The study of the so-called Semitic question, in France, in Germany, in Italy and elsewhere, once only able to be seen in the light of shadows, inscrutable, has now come out of the shadows. It is now known how the Talmudic Cabala was introduced into the rites, the mysteries, symbols and allegories of the Masonic degrees. It is also known that the Jews, have not only intermingled with all of the lodges, and so, increased their numbers, but they have also then filled the lodges with their own adepts.

Through them, they reign over and direct the others, and anyone who gets entry must be approved by the Jews, who rule by blood and by cult. It can be said with complete confidence, that everything in Freemasonry is ordained by a Jewish sanhedrin, and no other power can obtain except that which comes through this nefarious sect. Thus it is that one of the most qualified of the French periodicals has legitimately written that "Judaism and Freemasonry seem today to be able to be explained as an identical entity. It necessarily follows that for Judaism to govern the world, Freemasonry was made Jewish and Judaism made Freemasonic."

Intolerance and Insolence.

THE reader is undoubtedly frightened by the above caption, and remembers the golden age of the crusades, inquisitions &c., and there occurs to the mind the tremendous thoughts of bloodshed, cruelty and the reign of wild passions. But there is no cause of alarm, we want but to republish an article of

tion, and it appears also in Masonry. If this is the case, the above production is actually a master piece.

Our reasons for considering the above article in a light as we do are too obvious, to need much comment; for the principles seemingly defended by the writer are anti-Masonic, irreligious and anti-republican.

We characterize the above principles as anti-Masonic, because we know that not only Catholics but also Israelites in this country and in Europe are prominent and bright Masons. We know still more, viz. that Masonry is a Jewish institution whose history, degrees, charges, passwords and explanations are Jewish from the beginning to the end, with the exception of one by-degree and a few words in the obligation, which true to their origin in the middle ages, are Roman Catholic. We are also aware, that Masonry admits of no reform, amendment or alteration, certainly not in its essentials; hence the Protestant Masonry of which the correspondent of the Times speaks, is a Massachusetts anti-Masonic institution. The correspondent confesses to be a Mason, and although it is impossible to be well posted in Masonry without having a Jewish teacher, still we suppose the gentleman to understand something of what he professes to be: hence

Masons the alternative, either Synagogue or the Massachu-

We would send forth the appeal to the Church, if we were that so many clergymen sit that Masonic faction, and if Protestant, divine Masonships, bringing foreigners had sunk before they landed humanity, and blush! hear! weep in disgrace! hear it, ye Masons! the man who preaches doctrines of love in the name of love, wishes and dares to sit of a civilized world, that contempt human beings, who next to the impious man, should graves in the waves of the women, father, mother and them be buried in the depth this man had the power of his words say he would out! Future predictions [edit]

Predicted date	Claimant	Notes
After 2025	Alice A. Bailey	<p>In January 1946, the New Age Theosophical guru prophesied that Christ would return "sometime after AD 2025"^{[46]: 530} (Theosophists identify "Christ" as being identical to a being they call Maitreya) to inaugurate the Age of Aquarius; thus, this event will be, according to Bailey, the New Age equivalent of the Christian concept of the Second Coming.^[47]</p> <p>Alice A. Bailey stated that Saint Germain is the manager of the executive council of the Christ (Like C.W. Leadbeater, Bailey refers to Saint Germain as the <i>Master Rakoczi</i> or the <i>Master R.</i> in her books);^{[46]: 508} thus, according to Bailey, Saint Germain's primary task is to prepare the way for the Second Coming.</p>

The following is a combined effort of zealous Catholics, who work to defend the Faith by lifting the SoS's veils of deception as "Judaism intends to assert its power over all." "This prize is universal domination, the power of the world, is an article of faith by the degenerate Cabbalists of Israel." Distraught Catholics are watching in horror the dismantling of the Catholic Church (the foundation of Western Civilization) by the Cabbalists, who use "all forms of deception". <http://catholicapologetics.info/apologetics/judaism/jewrope.htm> **Parts I: IV & II:X**

There is not much time to alert the Faithful. Most Catholics cannot identify the enemies of Christ (THEIR enemies)...a grave risk to lives and souls. Half of Christ's enemies have been set up as approved villains and the other half staged heroes. These orchestrated dialectics are part of the Jewish plan to **set up Christians in the West for annihilation, discredit the clergy, obliterate the Church, & destroy any Catholicism that stands in the way of a Jewish World Order. Compromised actors have been planted & controlled alt-right media is cranking out weaponized narratives....(Biden vs. Trump/Putin, Francis vs. Vigano, sports psy-ops, "Pride" ploys, military ads, Solzhenitsyn slant, Syria propaganda, etc. have been disseminated to misdirect the Faithful and the Clergy.)** Bishop Williamson's entourage and other Catholic camps have (perhaps unwittingly) been conscripted as purveyors of poisonous propaganda for the purpose of obliterating opposition to the Jewish plan. It is disconcerting that many shepherds are adopting the propaganda of Judeo-Freemasons & their alt-right media, which aims to annihilate the remainder of Christendom.

We are living the **largest psychological operation in human history to destroy Catholicism worldwide.**

Our Lord said: "He that is not with me, is against me: and he that gathereth not with me, scattereth." Catholics must remain steadfast at the foot of the Cross ...not led away by the deceivers to become their instruments of deception in these days of lying wonders. Our Lord also warned: ***"And many false prophets shall rise, and shall seduce many. And because iniquity hath abounded, the charity of many shall grow cold. But he that shall persevere to the end, he shall be saved."*** - Matthew 24:11

Details of the SoS's plan are intentionally absent from "Trad" media, which is controlled by those who wish to scattereth. **Clergy** should be familiar with **Catholic Blockchain, WEF Transformation Maps for Religion** (which includes media psy-ops), **psychometric data collection/predictive analytics, & the transitioning of Catholicism toward an esoteric Kabbalistic-leaning spirituality (grounded in the East) for the arrival of the Jewish antichrist.** Persuasive actors & theatrics are employed supporting **SoS orchestrated narratives** in this Catholic behavior & belief manipulation. Another Catholic researcher, who works tirelessly to warn Catholics (including clergy), says it is imperative to know the contents of **The Plot Against the Church** by Maurice Pinay, **the Protocols of the Learned Elders of Zion** (also listed in Father Fahey's work), & the **Eurasian Empire - Greater Israel project, which will be the antichrist's world headquarters.** (All tie together in this massive assault against Catholicism for a Jewish World Order.) Though the gates of hell shall not prevail against the True Church (as small as it may become), Catholics are obligated to expose the enemies, who seek to rob precious souls of Salvation.

We need good priests who are willing to be the Saints of our time...choosing Jesus Christ (not the false Left nor the false Right controlled by the SoS).

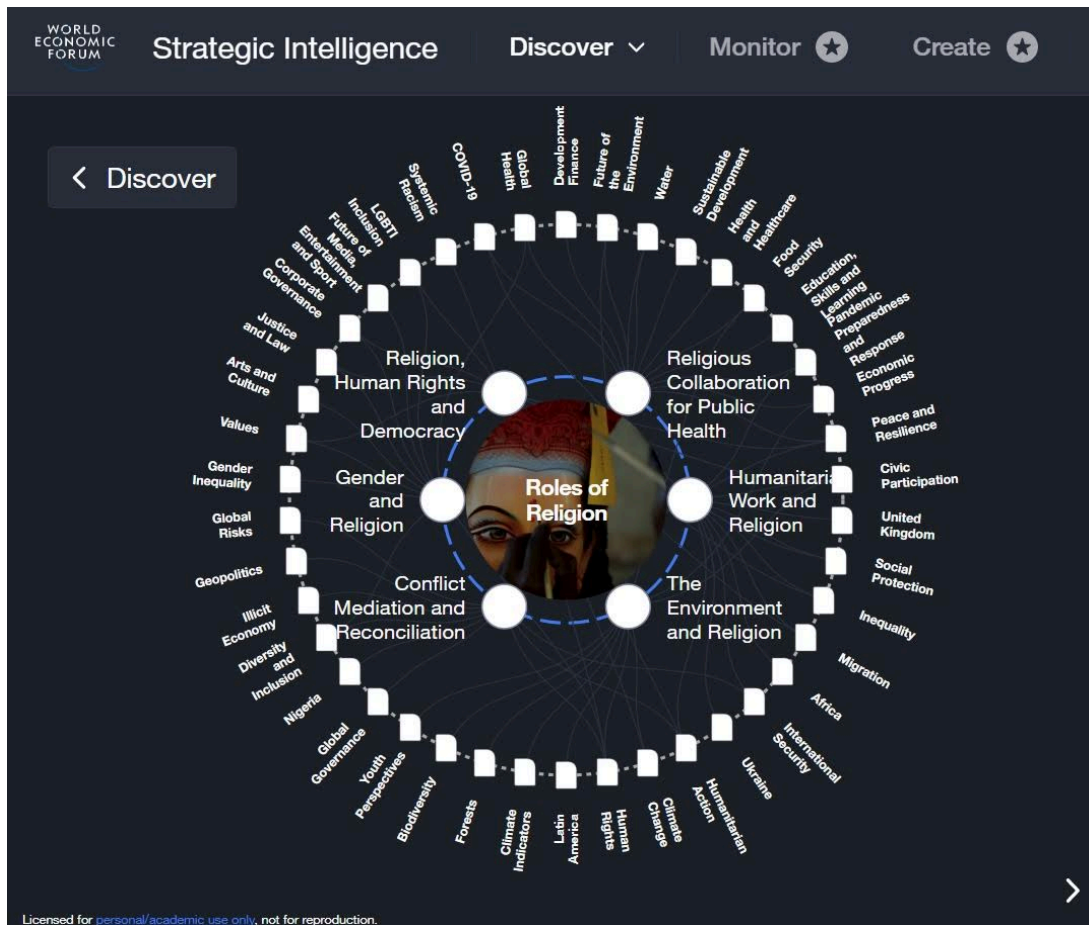

The Judeo-Freemasons are pursuing control of **all priests [infiltrating Catholic camps & presenting themselves as innocent lambs {holy, devout, & zealous}]** for the purpose of leading astray entire flocks. **Traditional Priests (including Resistance and Sedevacantist) are being targeted to lure Traditional Catholics into the Kabbalistic NWO matrix...**hence the increased coverage of **Bp. Williamson** [& now **Bp. Sanborn's** support of **Opus (Ju)Dei-controlled Vigano**] as they & their subordinates parrot propagandized "news bites" & formulated narratives for the ears of "resistant" sheep.

Catholic Blockchain was likely a driver for SSPX deals requiring the transfer of Sacramental records to Dioceses for blockchaining the Faith (changing values & beliefs). The research was written in the form of a letter to an SSPX priest prior to understanding that the blockchain will likely link to the **Noahide Laws**. **Communitarianism** (an aspect of **Bolshevik Dugin's Fourth Political Theory** & a precursor for **Noahide Law**) is a key driver for engineering Catholic Blockchain. **Catholic Blockchain research =>**

The following are a few terms on the WEF's "Role of Religion" Blockchain/Transformation Map (which has changed since 2020) to nudge us into the NWO Religion...an esoteric Kabbalistic-leaning religion leading to the Noahide Laws. (click the symbol next to any term on the strategic map & a new map will open focusing on that subject).

- **Values IMPORTANT! =>** (The LGBTQ/Transvestite "crisis" orchestrated by the SoS in the U.S. is to prod conservatives to embrace an SoS-controlled COMMUNIST BLOC (portrayed as "Christian"), to demand a new global system of values that will be blockchained, & to make the entire U.S. population (including Catholic flocks) appear depraved so that we will be demoralized. The planned solution in this Hegelian dialectic will be crushing what remains of the Christian West & blockchaining values toward an esoteric Kabbalistic-leaning spirituality, the UN SDG's, & the Noahide Laws.)

It is imperative to understand how Hegelian dialectics work.

- **Nuclear Security** (a tactical nuke may be used to push the fear factor)

The SoS is using the scissor strategy (their tools in the U.S., in Russia, in all controlled countries, & in the "Church" [which includes Bp. Williamson, Bp. Sanborn, & many clergy]) to lead flocks in the West to the slaughter & crush what remains of True Catholicism for an esoteric Kabbalistic global religion, **Universal Noahide Laws, & a Jewish World Order.** Most remain oblivious...deceived & distracted by theatrics (Biden vs. Putin, Vigano vs. Francis, traumatizing productions, etc.). They are prodding souls like cattle (psychologically, behaviorally, & physically)...fanning the flames & nudging the herd toward their own spiritual & physical demise through Hegelian dialectics (problems, reactions, solutions)...even causing the goyim to root for the enemies of Christ!

Father Stephen DeLallo updated his booklet on Cultural Marxism (with a section on Russia) in 2020.

Anyone who has been studying Vigano's speeches & the theatrics of Catholic pundits & comprehends the contents of Father DeLallo's booklet would know that **Vigano, Michael Matt, & numerous media pundits are tools of the Revolution & have been lying about Russia & fanning the flames for the preplanned reactions & "solutions"**. The sheer number of bad actors in the media is incredible, though considerably less than the number of military troops required for a physical takeover [reserved for the final stage]. **Cultural Marxism in the U.S. is one side of the scissors working with the other blade, Bolshevism of Russia & Israel, to cut up the remainder of the Christian West and to refashion the pieces into a subservient slave state for the Jews & their Soviet-Israel planned Eurasian Empire.**

What is Cultural Marxism?

The Marxist Plan for a
New World Order

by Father Stephen DeLallo

By Fr. Stephen DeLallo
October 13, 2020

Excerpts of Father DeLallo's Cultural Marxism document (with section on Russia):

"Cultural Marxism is the *Communist* [Jewish] *method of subversion..*" Promoters "taught that **the main obstacle to worldwide Communist victory is the *Christian culture of the Western World.***"

Hence: **QUOD APOSTOLICI MUNERIS - ENCYCLICAL OF POPE LEO XIII ON SOCIALISM.**

"At the very beginning of Our pontificate, as the nature of Our apostolic office demanded, we hastened to point out in an encyclical letter addressed to you, venerable brethren, the deadly plague that is creeping into the very fibers of human society and leading it on to the verge of destruction; at the same time We pointed out also the most effectual remedies by which society might be restored and might escape from the very serious dangers which threaten it. But the evils which We then deplored have so rapidly increased that We are again compelled to address you, as though we heard the voice of the prophet ringing in Our ears: "Cry, cease not, lift up thy voice like a trumpet."(1) You understand, venerable brethren, that We speak of that sect of men who, under various and almost barbarous names, are called socialists, communists, or nihilists, and who, spread over all the world, and bound together by the closest ties in a wicked confederacy, no longer seek the shelter of secret meetings, but, openly and boldly marching forth in the light of day, strive to bring to a head what they have long been planning - the overthrow of all civil society whatsoever." para 1

“Marxists must work to corrupt and de-Christianize western culture, beginning with the Christian family, and then progressing through churches and schools by means of the education system [...] and, of course, **by propaganda and disinformation through the public media.**” [My comment: "Left" & "Right"]

[Marxist Jew] 'Lukacs declared: “I saw the revolutionary destruction of society as the one and only solution. A worldwide overturning of values cannot take place without the annihilation of the old values [Christian] and the creation of new ones [socialist] by the revolutionaries.” Pg. 2

“In 1919, as Deputy Commissar for Culture in the Bolshevik regime of [Jew] Bela Kun in Hungary, the first thing Lukacs did to corrupt Christian morality was to impose a **sex education program** in the schools.”

“...the *Pulitzer Prize* system was a foundation stone for the Marxist philosophy of *Critical Theory*, for it grants more awards for the *exposure of corruption* and **negative criticism of Western Culture** than to any other subject.”

“In [Jew Pulitzer's] *Post-Dispatch*, Pulitzer included many investigative articles and editorials attacking government corruption, wealthy tax-dodgers and gamblers. This populist appeal was effective: circulation mounted, and the paper prospered. **This emphasis on social and political corruption and scandal is similar to the critical theory and negative criticism of the future Frankfurt School.**” [My note: Frankfurt School & KGB subversion

“By means of *Critical Theory*, **Marxists use frequent negative criticism through the news media, entertainment industry, etc., of all the corruption (which they helped to create) of the Western World**, i.e., in governments, in economics, in religion and the family, etc.

Next, by *Cultural Pessimism*, they promote a feeling of despair, depression and hopelessness by broadcasting—through the news media, movies, plays, music, literature, history, etc.—the horrors, tragedies and sufferings caused by the corruption of the West.”

“**e) Russian Marxists: Sex Education and Literature:** Marxists in Russia advocate ‘sex education’ *through literature*. **The Russian Commissioner for Children's Rights**, Pavel Asta-khov, who reports directly to **President Vladimir Putin**, stated in his Sept. 2013 interview with *Rossiia 24 TV News*: “*The best sex education there is, in fact, is Russian literature and literature in general*. Children should read more. Everything is there, all about love and about relationships between sexes.” Some recommended titles are *Anna Karenina* by Leo Tolstoy, 1877; *The Abyss* by Leonid Andreyev, 1901; and *Lolita* by Vladimir Nabokov, 1955.” Pg. 15

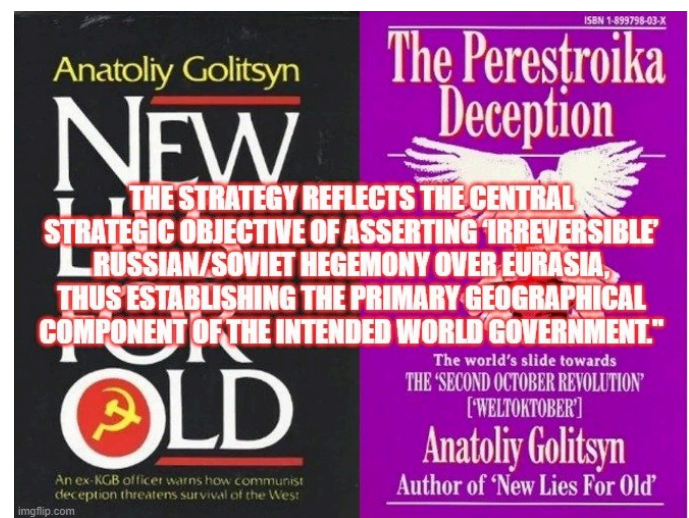

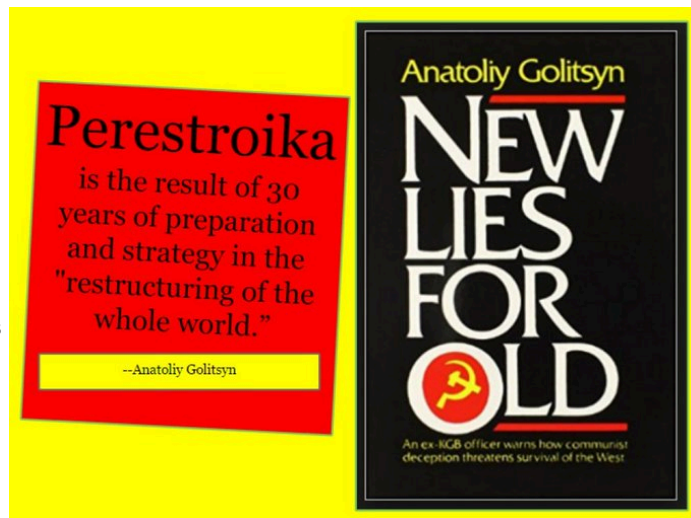

“8. Marxist Deception and Disinformation

a) Marxists use various ‘Fronts’: It is a well-known tactic of Marxists to use *other people or organizations* as a front for their communist agenda. **They especially try to use Catholics, since they can introduce Marxist ideas into Catholic circles.** Perhaps those who are being used by communists do not realize they are

participating in a Marxist agenda. Communists, however, refer to their **unwitting instruments as *useful idiots*.**”

‘Pope Pius XI says: “Under various names which do not suggest Communism, they establish organizations and periodicals with the sole purpose of carrying their ideas into quarters otherwise inaccessible. They try perfidiously to **worm their way even into professedly Catholic and religious organizations**. Again, **without receding an inch from their subversive principles, they invite Catholics to collaborate with them in the realm of so-called humanitarianism and charity**; and at times even make proposals that are in perfect harmony with the Christian spirit and the doctrine of the Church.” (See *Divini Redemptoris*, Mar. 19, 1937).’ [My note: e.g. Catholic Identity Conferences]

“b) Gorbachev’s Glasnost and *Perestroika Deception*:

We should also call to mind the programs of *Perestroika* and *Glasnost* instituted in Russia by Mikhail Gorbachev in the late 1980s. *Perestroika*, i.e., “restructuring,” refers to communist **Russia’s long-range plan to lead the West into a false security**, by pretending to transform the Soviet economy into a decentralized, capitalist-style economy, and to democratize the communist party organization, **thus enabling future communist aggression against unsuspecting nations**. This tactic is known as the ‘*perestroika deception*’. *Glasnost*, i.e., “openness,” refers to the new policy of open-ness and freedom in public discussions about socio-political problems within the Soviet Union. **Thus, it is permitted to speak about the brutality of the Stalin era and the corruption of the Brezhnev era**. Soviet leaders show more friendliness both to the media and to foreign leaders in order to ease political tensions between East and West. However, this “glasnost policy” is simply a deceptive ploy on Moscow’s part to implement the on-going *perestroika deception*.”

“In the *Fatima Crusader Magazine*, Winter 1995, Issue 48, we read: “The *Perestroika* and *Glasnost* initiated by Mikhail Gorbachev **is not the conversion of the Soviet Union** as is naively proclaimed by many Churchmen in high places, and even by the majority of Fatima Apostolates. The so-called ‘conversion’ of Russia is nothing more than the implementation of a kinder and

gentler Marxism/Leninism, one more acceptable to the West, according to the strategy of the Italian Communist, *Antonio Gramsci*, who died just before World War II.”

‘Lastly, let’s recall the chilling words of the Marxist *Dimitri Manuilski* of the *Lenin School of Political Warfare* in 1933: “War to the hilt between Communism and Capitalism is inevitable. Today, of course, we are not strong enough to attack. Our time will come in thirty to forty years. **To win, we shall need the element of surprise. The bourgeoisie will have to be put to sleep. So, we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard-of concessions. The capitalist countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fist.**”’

‘d) **Present-day Russia is Not Converting:** In his Nov. 2017 lecture, ‘*The Fatima Epoch: Has it finished?*’, traditional Catholic *Stanislov Protasenko*, former Senior Lecturer in St. Petersburg University (History and Political Science), said: “**There are tendencies in the contemporary West and, surprisingly to me, even in Traditionalist circles, to consider that present-day Russia is undergoing some sort of religious and ‘Traditionalist’ political and cultural revival...**

“I must say that **such a vision of today’s Russia is no more than wishful thinking.** The number of Orthodox believers has not changed much during the last decade and is about no more than 10%, even in ‘the most Orthodox’ regions; in others, it’s about 2–4%. ...

“**No, Russia is not converted nor converting, even materially! On the contrary, it is becoming worse and worse, comparing with the situation 15–20 years ago. In recent years, Russia is going through not spiritual, but real Soviet renaissance, that can’t promise any good to us...**

“**Usually, Western observers note the hostility of the present-day Russia to gay-marriage and homosexuality. But, they do not understand that the reasons against such things are usually, in Russia, not of a moral character, and what is more striking, that many people who in Russia oppose gay-marriages, at the same time, for example, support abortions...**”

“**Russian people still like the things they liked in Soviet times and hate the things, persons and countries, that they hated by the directives of the Soviet power. That is why they oppose gay marriage, because there was no such thing in those times, at the same time supporting abortions and divorce. The abortion rate in Russia is still one of the highest in the world, and what is especially remarkable, there is no strong Pro-Life movement in Russia, comparing to the Western, especially Catholic, countries. In addition to that, contraception, divorce, pornography, prostitution, etc., are widespread in present-day Russia too...**”

“If you simply go to the streets of Moscow, St. Petersburg and other cities, you will see the same immoral behavior, the same immoral fashion, poisoned by **Cultural Marxism** as in modern Western countries. There is no difference. **In small towns and villages, destroyed by Communist collectivization, the decadence is even more visible...**”

“But, the situation in Russia is even worse, because of in-difference to European and American countries in which there are, even if small, healthy right-wing Conservative, Traditionalist, anti-Communist and anti-Liberal forces; whereas in Russia there are Soviet (or semi-Soviet) pseudo-Conservative forces justifying criminal Communism or pro-modern West Liberals...”

“If you go to any big book shop in Moscow, St. Petersburg, etc. you will see tens or even hundreds of books of authors, which we can call ‘*Soviet revisionists*’. We can see racks of books about Stalin, for example, most of which praise him as a ‘great leader,’ ‘effective manager,’ etc., rejecting facts of Soviet repressions, saying, that ‘they never happened’ or justifying them; books praising other Soviet leaders... The Russian people now are actively brainwashed by such neo-Soviet propaganda...”

“Ask any person on the streets in present-day Russia what they think about the Soviet period — Communism, Stalin, Lenin, etc. The majority’s answer will be positive or indifferent, but scarcely negative. According to the recent poll of the main polling center, 38% named Stalin as “the greatest man in history,” 32% named Lenin...

“Yes, the majority of Russians now aren’t Communists, but they are still Soviet. ‘Soviet’ is a broader category than ‘Communist.’ It relates not only to party, but also to mentality and state. By mentality, the majority of Russian people now – from government officials to ordinary workers – are in reality still ‘Soviet.’...”

“Until Russian society, the Russian people, understand the evil nature of the Communist ideology as such, and explicitly condemn the Communist ideology and Soviet regime, there will be no conversion.”

“So, the answer to the question ‘Is Russia converted or converting?’ is evident: Russia is not converted nor converting; on the contrary, it is going now in the opposite direction. The modern world is poisoned by the ‘errors of Russia’ – the West by Cultural Marxism and Russia by the Sovietism and Moral Relativism, which justifies it and refuses to condemn the crimes of the Communists and refuses to reject this evil ideology completely. The only means to save the world was defined by Heaven in Fatima and Tuy. Russia urgently needs the consecration! It is our unique hope.” (See: *The Fatima Crusader Maga-zine*, Autumn 2017, pp. 62-72).”

“(c) Abandonment of the Catholic Faith: Our Lady told the children at **Fatima in 1917** that Russia would be the instrument of God’s punishment if people did not amend their ways (and if the Pope did not consecrate Russia to the Immaculate Heart of Mary). Thus, **the scourge of Communism** will continue until the people of the world—and of Russia—**turn back to God**, and work to re-establish Christian Social Order based on the Reign of Christ the King.”

‘In a sermon of Feb. 2, 1988 at the seminary in Flavigny, France the same **Archbishop said: “All the catastrophes throughout the history of the Church came in general from the clergy. The clergy had abandoned the way of holiness; they had abandoned the Way of the Cross; and in the measure that the clergy abandoned the Way of the Cross, in the same measure society was degraded.”**’

Some clergy (& therefore laity) are clinging to false prophets and pseudo-saviors instead of clinging to the Cross. They do not identify the enemies of Christ (& even suggest that the enemies are some kind of saviors or doing the work of God...Vigano, Putin, et al.) & therefore deny Him.

The propaganda that Russia is going to liberate the world from the globalists of the West....is just that...propaganda...believed by some clergy [e.g. Bp Williamson], who are leading flocks to the enemies of Christ.

These enemies redirect attention from themselves to the “approved villains”.

The following covers the false prophets & pseudo-saviors (the greatest threats to the Faithful) who are luring naïve Christians into a trap for annihilation, & therefore, must be identified and called out.

The Founding of the International Congress of Russophiles in Moscow held on March 14, 2023. A few of the key participants were:

- **Kabbalist Bolshevik Aleksandr Dugin** (a founder of the **National Bolshevik Party**, published **Foundations of Geopolitics** in **1997** [a playbook for Russia’s military, foreign policy elites, **Putin’s strategy in invading Ukraine**, & **“strategic control of the U.S.”**], engineer of “The Great Awakening vs. The Great Reset” rhetoric [with book by the same title], author of The Fourth Political Theory [a twisted communitarian philosophy that includes Dasein/Heidegger philosophy] & key collaborator with **Vigano** in “Great Awakening” operations & Antonio Livi [leading Opus Dei priest] Philosophy Festivals nudging Catholics toward an esoteric perennialist religion]) **Dugin says that both the Left & the Right will be used to destroy the West:** <https://youtu.be/lbVRXX-HRnw?t=843>
- **Konstantin Malofeev**¹⁰ (sanctioned oligarch who finances Dugin, financed separatist rebels, runs the Tsargrad TV network with former KGB General Leonid Reshetnikov, & owns the Katehon [Soviet] propaganda outlet)
- **Vigano** (Malofeev & Dugin’s collaborator & “Catholic” figurehead, who continues the Duginist “Third Rome” propaganda for setting up the Eurasian Empire in his scripted speech as well as held the spotlight on the approved villains to distract from their own collaborations in the anti-Christ agenda. He presented Klaus Schwab as one of the approved villains in the alt-right theatrics for the synthesis, yet he neglects to mention Putin’s WEF involvement, that Russia is a leader in the WEF’s 4IR initiatives, that Klaus Schwab proudly spoke of Putin being involved in a WEF program, & that Schwab is close friends of Rabbi Schneier whom Vigano praised for his Freedom of Religion/Freedom of Conscience program.)
- **Actor & Buddhist Steven Seagal** (of Jewish descent who is used in Kremlin marketing ploys, buddies with Venezuela’s dictator Maduro, supports Russia’s 2045 Transhuman Agenda, & sat right of center stage while Vigano read his script on screen. **Article on Seagal:** <https://ipatriot.com/steven-seagal-reincarnation-buddhist-lama/>)

The whole circus could be considered a joke if their intentions were not so deadly serious & Christians of the West were not so ignorant in recognizing this event as a step forward in annihilating what remains of the Christian West. Beliefs of clergy and laity are currently being nudged toward an esoteric Kabbalistic faith through Vigano alone...not to mention through other change agents in the pseudo-Trad media. Flocks should be warned **not to** embrace Moscow as the Third Rome (setting up a Eurasian Empire for the Jewish antichrist), not to elevate Jew “Eurasian NWO” Putin as if he is a savior fighting the NWO, nor Trump “The Father of Vaccines” ZOA award recipient as the katechon, nor to embrace

the Antonio Livi anti-Catholic philosophies, Dasein, the Fourth Political Theory, and all of the rest of the lies that Vigano has led naive Catholics to.

Klaus Schwab wants the same **"Multipolar"** NWO (with the elevation of Russia & the Greater Israel) as his teammates Putin, Malofeev, Dugin, Viganò, et al. They are all playing their roles to nudge the gullible goyim into the synthesis.¹¹

Vigano's basic message at the Russophile Congress is to unite nations for the purpose of peace & universal principles of natural law (Perennialism), appealing first to the corrupt Patriarch of Moscow & the Orthodox, who are anti-Catholic. No call for conversion to the Catholic Faith.

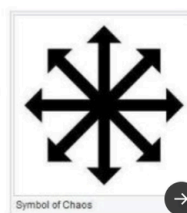

Bolshevik Dugin's Satanic Chaos symbol in the corner of the screen, while Vigano calls out the approved villains as a satanic cult.

Symbol of Chaos

From Wikipedia, the free encyclopedia

The **Symbol of Chaos** originates from Michael Moorcock's Eternal Champion stories and its dichotomy of Law and Chaos. In them, the Symbol of Chaos comprises eight arrows in a radial pattern. In contrast, the symbol of Law is a single upright arrow. It is also called the **Arms of Chaos**, the **Arrows of Chaos**, the **Chaos Star**, the **Chaos Cross**, the **Chaosphere** (when depicted as a three-dimensional sphere), or the **Symbol of Eight**.

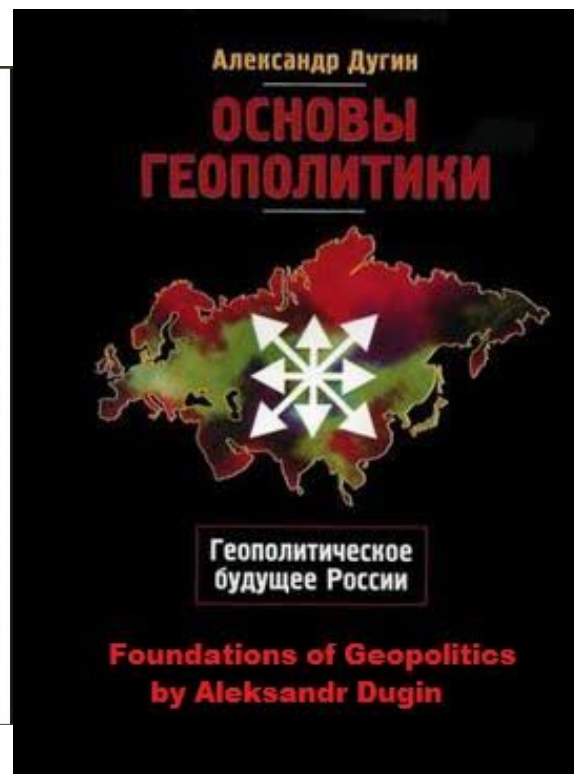

Alternative symbols of chaos (owing nothing to Moorcock) include The Sacred Chao of Discordianism and The Five Fingered Hand of Enis.

Symbol of Chaos

(There is ample proof that Vigano is willingly collaborating with very dangerous actors who want to destroy the True Faith, & he is a threat to priests and their flocks.)

On November 11, **2014**, Bolshevik Aleksandr **Dugin** and Konstantin **Malofeev** spoke at the “**Moscow the Third Rome**” Conference. ¹² **Moscow as the “Third Rome” is an anti-Catholic concept for the establishment of a capital for the Jewish NWO** while Jerusalem is preparing for the moshiah (Jewish antichrist) to fulfill the global antichrist plan, which includes eliminating Christians of the West. (See section on “Third Rome” below.)

In April 2023, “**Representatives of the International Movement of Russophiles (IMR)** delivered a lecture in the capital of **Venezuela**... The military from the presidential honor guard was told about **Russia’s special military operation in Ukraine and about the desire to establish a new world order.**” ¹³ It is horrifying that controlled opposition has convinced Catholics to root for this NWO that stalwart prelates spent their lives resisting.

Controlled opposition is an effective modus operandi of Communists & Judeo-Freemasons (the Jews). Nearly all Catholic camps (along with VIGANO) are part of this OPERATION. See overview on the "New Resistance" created by Bolshevik Aleksandr Dugin (an Aleister Crowley devotee), who collaborates with Opus Dei & Fake Resistance groups (Politically & Spiritually).

<https://youtu.be/km2vxHU4vuw>

The Bolshevik psy-op “Operation Trust” of the 1920’s was the forerunner to the “Q Trust the Plan” psy-op promoted by Soviet asset anti-Catholic Michael Flynn, who collaborates with Vigano; also promoted by Alex Jones (Soviet-Israel asset), who collaborates with Bolshevik Dugin (who also collaborates with Vigano). Both Left & Right serve the same masters. **The Right is operating under the guise of an Angel of Light & a Great Awakening. Soviet-Israel operatives (Dugin, Flynn, Jones, et al.) are nudging the global population toward a Satanic Great Awakening.** (Alice Bailey [disciple of Satanist Madam Blavatsky] reveals the Luciferian plan in her book, which explains that **2025 is the year of the “externalization of the hierarchy”**.¹⁴ “Awakening” is mentioned 33 times in her book.)

Twenty-Four Books of Esoteric Philosophy

fullness of time; this fullness of time, as regards the particular planning with which we are dealing, is from now until the year 2025 A.D.—a brief period of time indeed in which to see the consummation of the larger purpose of the planetary Logos, working through the three major centres within His body of manifestation. This purpose was threefold in nature:

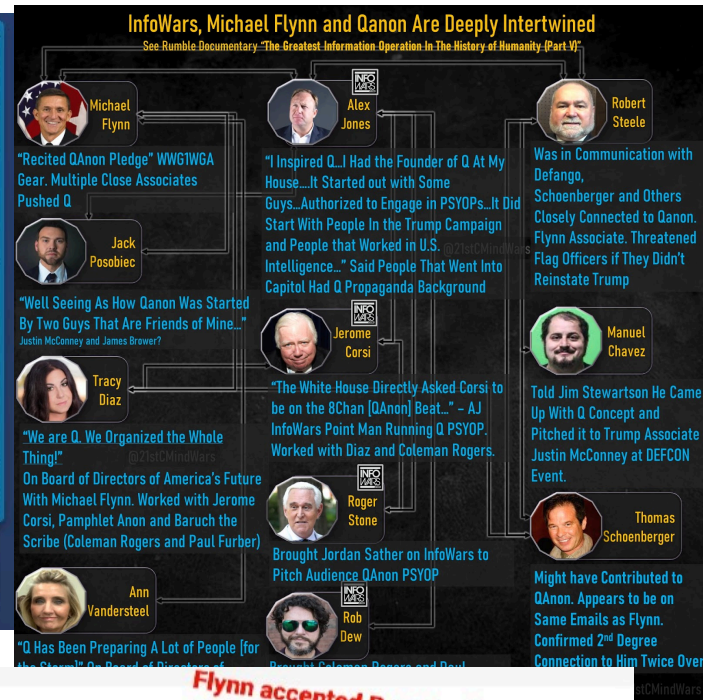

1. It involved the ability of Those in the Council Chamber at Shamballa to react to and absorb certain extra-planetary energies and to use them in an intra-planetary sense. It had not been anticipated by the Directing Agents of these forces that our planetary Logos would achieve a certain goal so early in time and space as He has.
2. It involved a great expansion, numerically and in the consciousness of the Hierarchy. This predicates a great influx of initiates and disciples and a tremendous inflow of what is esoterically called “angelic essence” from the deva kingdom, under the direction of certain great Devas who have affiliated during the past two hundred years with the Hierarchy. This again had not been expected so early. The result of this happening has been that the door of initiation through which mankind passes stands wider open (symbolically speaking) than ever before, and at the same time, the Masters are passing with greater rapidity on to the Way of the Higher Evolution; this is due to the fact that initiates are fitting themselves so rapidly to take Their places, and disciples are moving on into initiate position so fast, that a great pressing forward has become legitimate.
3. It involved, finally, a great awakening in the human family and a major spiritual reorientation. This again had been believed possible of accomplishment when the sun passed into Capricorn about 2300 years hence. But—it has already taken place and necessarily has brought about a basic adjustment in the plans of the Hierarchy and a renewed emphasis upon the purpose, as registered in Shamballa.

This, being factual, and the time ripe for decision, has caused an intra-planetary ferment and great activity in the three major centres. In the last analysis (and this is the factor of supreme importance) this development—this unexpected right absorption of spiritual energy, and this seizing of spiritual opportunity—is due to humanity itself; above everything else, it is the readiness of mankind for that which is new, and humanity’s determination to create a new and better world, adapted more adequately to their “renewed” spiritual nature, that is responsible for all the activity.

I did a video comparison of I AM / Church Universal Triumphant cult leader Elizabeth Clare Prophet in 1984 and Mike Flynn in 2021.

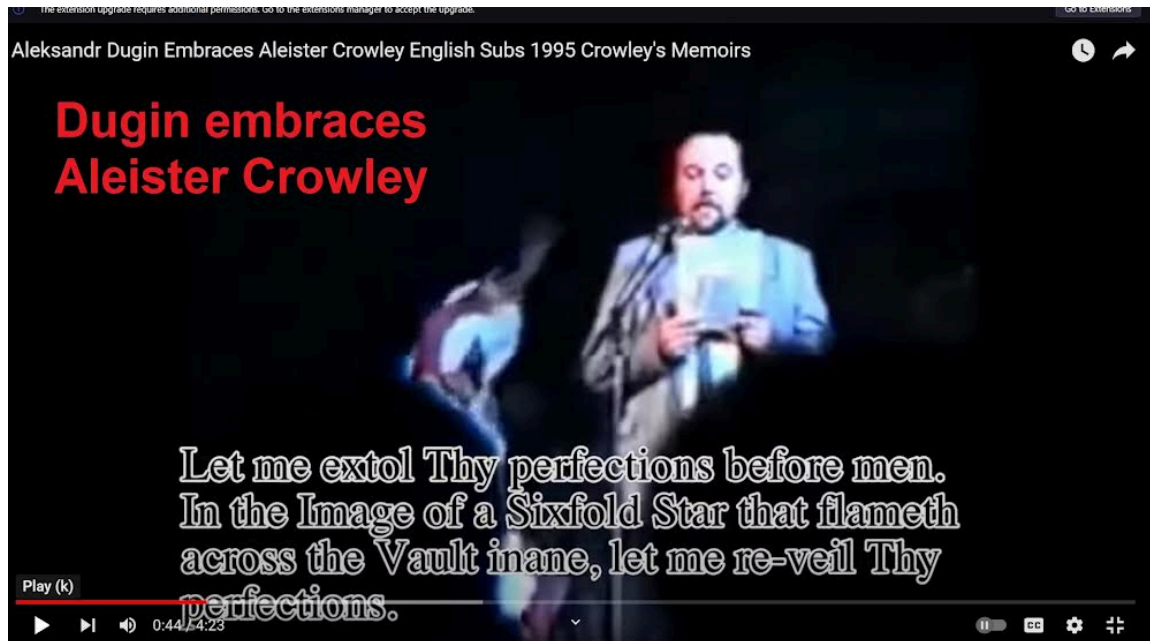

It's verbatim the same. He just changed "I AM" to "WE WILL"

Please share this with his cult. It's important that they know he is not a Christian.

Both the Left & the Right are corrupt. The Judeo-Freemasons do not allow advancement into the higher echelons of the govt unless he or she is compromised & controllable.

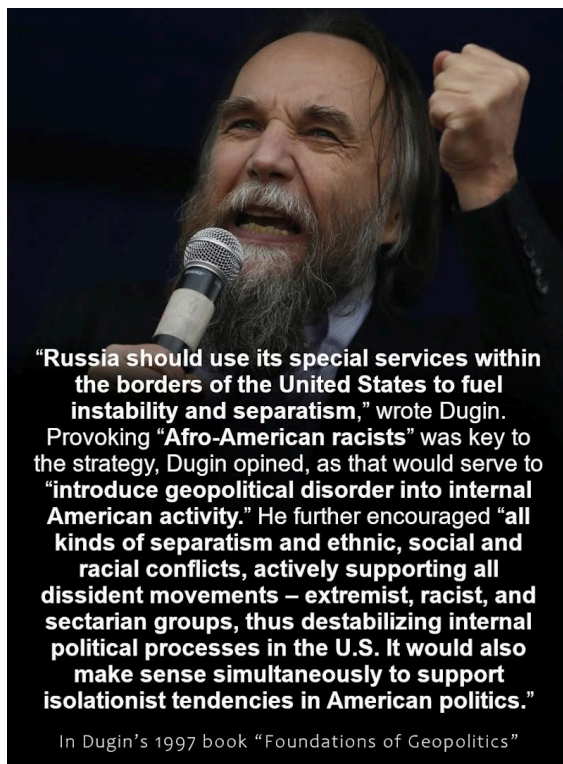

Dugin reveals in his statements that both the Left & the Right will be used to destroy the remainder of the [Christian] West that threatens a "traditional" [i.e. esoteric Kabbalistic-leaning/Jewish] collectivist civilization.

Russian ideologue Dugin called to "destroy Catholicism" and "organize assassinations"

@ElentirENG ES 8-25-2022 · 7:01

There has been a lot of talk lately about Aleksandr Dugin, a character whose ideology mixes ingredients of fascism, communism and Russian nationalism.

- ✦ Russia's ultimatums to NATO and to the US: Putin wanted a Europe subservient to Moscow
- ✦ The alliance of pro-Russian communists and nazis fighting against Ukraine in Donbas

As a consequence of the ideological cocktail that he defends, **Dugin equally attracts characters from all ends of the political map.** His radical anti-liberalism is attractive to a certain right and a certain left that feel closer to Putin's Russia than to the West. That Dugin has admirers on the far left is not surprising, considering that he **founded the National-Bolshevik**

with drugs and sex magic. Later, **Dugin** took his interest in the occult to a new level. In the early 1990s, he became editor of the Eurasian magazine *Elementy*. The front cover of the magazine's second issue featured a portrait of **Baphomet**, the goat god who is also the symbol of the US-based Church of Satan. **Dugin** frequently wrote about the occult within the pages of *Elementy*. In 1995, during an unsuccessful attempt to get elected to parliament, **Dugin** took part in a pre-election concert – described as a “black mass” by participants – in memory of the British occultist **Aleister Crowley**, notorious for his sex “magick”. During the performance, **Dugin**'s supporters read aloud from Crowley's *Book of the Law* (“Do what thou wilt shall be the whole of the Law”). **Dugin** is also reported to have met with figures from the *Ordo Templi Orientis*, a worldwide occult organisation that once boasted Crowley among its ranks.

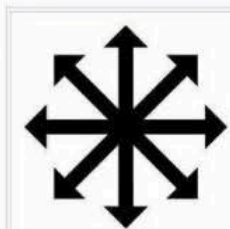

so – after all, **Dugin** also has a well-known interest in **Chaos Magic**, the post-modern,

Symbol of Chaos

From Wikipedia, the free encyclopedia

The **Symbol of Chaos** originates from Michael Moorcock's *Eternal Champion* stories and its dichotomy of Law and Chaos. In them, the Symbol of Chaos comprises eight arrows in a radial pattern. In contrast, the symbol of Law is a single upright arrow. It is also called the **Arms of Chaos**, the **Arrows of Chaos**, the **Chaos Star**, the **Chaos Cross**, the **Chaosphere** (when depicted as a three-dimensional sphere), or the **Symbol of Eight**.

Alternative symbols of chaos (owing nothing to Moorcock) include The Sacred Chao of Discordianism and The Five Fingered Hand of Eris.

THE PURPOSE AND MEANING OF THE ALT-RIGHT MOVEMENT <http://archive.vn/Tt7j5>

Richard Spencer

To continue in this framework, I think that the alt-right is a kind of Fourth Political Theory. We definitively have roots and things like the European New Rights like Alain de Benoist and we can have a movement that is powerful, that has headlines, that drives liberals crazy, but we don't quite know, where we are going to be in the future.

Important video explains Global Plans & the role of Bolshevnik Kabbalist Aleksandr Dugin (a key architect of the global Pro-Russia, Anti-West propaganda in Vigano's speeches, Michael Matt's rants, Bishop Williamson's sermons, Father Chazal's talks, & the rest of the controlled alt-right media, e.g. Opus Dei channels, Alex Jones, et al.). The goal is to eliminate the gentiles & enforce the Noahide Laws for a Kabbalistic world order.

Jews are discrediting the clergy. They are mocking all of us. The Fifth Column doses out propaganda to take down clergy & mislead flocks.

(Catholics are searching for priests, who will stand firm at the foot of the cross...those who will not put families at risk by supporting Christ's enemies...the clergy who will form a counter-revolution.)

The Plot Against The Church by Maurice Pinay, Chapter III, The "Fifth Column" in Action

<http://holywar.org/txt/pinay/part4a.htm#ch3> :

'A priest who makes easier the triumph of Communism in his country, with all its deadly danger for Holy Church and for the rest of the clergy, must immediately be accused before the Holy See, and in fact not only in one but in various ways in case one fails, so that with recognition of the danger, the means are removed from him of causing further harm. It is monstrous to have to think that the confidence placed by the nations in the clergy is utilised by Judases, in order to lead the said peoples into the abyss.

*If this had been done in time, the catastrophe of Cuba would have been prevented, and the Church, the clergy and the Cuban people would not have fallen into the bottomless abyss in which they find themselves at present; for the destructive and traitorous work of many clergy in favour of **Fidel Castro** was the decisive factor for his victory. It influenced the majority of clergy, who were not conscious of deceit and who with good faith encouraged a people involuntarily to suicide, to **favour Fidel Castro**; a people who had particularly placed its faith in these spiritual shepherds.*

We observe this circumstance with absolute clarity, so that all may realise the gravity of the problem, in view of the fact that clergy of the "Fifth Column" are attempting to drive more Catholic states, such as Spain, Portugal, Paraguay, Guatemala and various others towards Communism. They use as means the most subtle deceptions and even cloak their activity with equally sanctimonious false zeal, by pretending to defend religion itself, which they wish to destroy in its innermost heart. These traitors must be quickly discovered and charged in Rome, in order to nullify their activity and hence to prevent their destructive work which opens the doors to the Freemasonic or Communist victory. If those, who have the possibility of doing this, maintain silence out of cowardice or indifference, they are in a certain respect just as responsible for the catastrophe breaking out as the clergy of the "Fifth Column".'

Putin unveiled a statue of Fidel Castro last November 2022 in Moscow. Castro is called a Soviet agent in Cleon Skousen's The Naked Communist (11th grade Catholic curriculum). History is repeating itself. (Castro was Jewish:

Evoking Castro, Putin and Cuban leader pledge to deepen ties

Reuters

MOSCOW, Nov 22 (Reuters) - Russian President Vladimir Putin and his Cuban counterpart Miguel Diaz-Canel unveiled a monument in a north Moscow square on Tuesday to Cuban revolutionary leader Fidel Castro, pledging to deepen their friendship in the face of U.S. sanctions against both countries.

Castro, who took power in 1959, is not commemorated by statues in his homeland because, his brother Raul said after his death in 2016, he wanted to avoid a personality cult.

What is Putin's word worth?

"During the phase when the 150,000 Russian troops were assembling around the borders of Ukraine, we heard Vladimir Putin tell the West time and time again that those troops were just making military exercises. When Western leaders accused him of preparing an invasion, he and his ilk made jokes about such concerns. He even ordered several columns of tanks to leave the border of Ukraine to assuage the apprehensions of the West. Then, on the early morning of February 24, he launched his assault.

Putin's word is worth nothing. He lies as much as necessary to attain his goal. This should be no surprise since he is a communist, and communists have neither honor nor morals. However, many Western men want to believe that Putin is an honest man and are falling for his lies.

To make honest men of the West believe that his words are serious is Putin's first victorious psy-war maneuver.

Conservative & traditionalist fifth-columns

A 5th column made of false-right persons are praising Putin: 'A strong man served by a strong army'

Perhaps the most shocking of all these psychological victories is that the natural enemies of Communism in the West are praising Putin.

I am not speaking about the Catholic progressivist Clergy and Hierarchy, who in principle should be combating Communism but, instead, have long been some of its best promoters.

I am referring to the American conservatives who a few decades ago were proudly proclaiming "Better dead than red." Today they believe Putin is a great leader and [attack those who are against him](#) (Tucker Carlson), and praise him as a ["savvy" and "genius" politician](#) who invaded Ukraine to gain a big portion of the country (Donald Trump).

Catholic Traditionalists elaborate still more by giving Putin a messianic role. Here are some of the incoherencies we have heard:

- *"Putin is a good Christian who goes to Church and kisses the Gospel in the hands of the Moscow patriarch. He is better than most of the Western politicians who are dishonest and irreligious;"*
- *"Russia has already converted as Our Lady of Fatima predicted. Putin is the great warrior who will install the Reign of Mary;"*
- *"The United States is the greatest corruptor of mankind, spreading all kinds of vices. Russia is the beacon of morality. It is good for Putin to destroy the rotten American democracy. The invasion of Ukraine is the beginning of this process. Cheers!"*
- *"The U.S. has committed many abominable sins such as the approval of abortion and homosexual marriage. The U.S. has to be punished. It is good that Russia is starting to do it."*

These are some of the nonsensical eulogies that are circulating in traditionalist milieus favoring Communism.

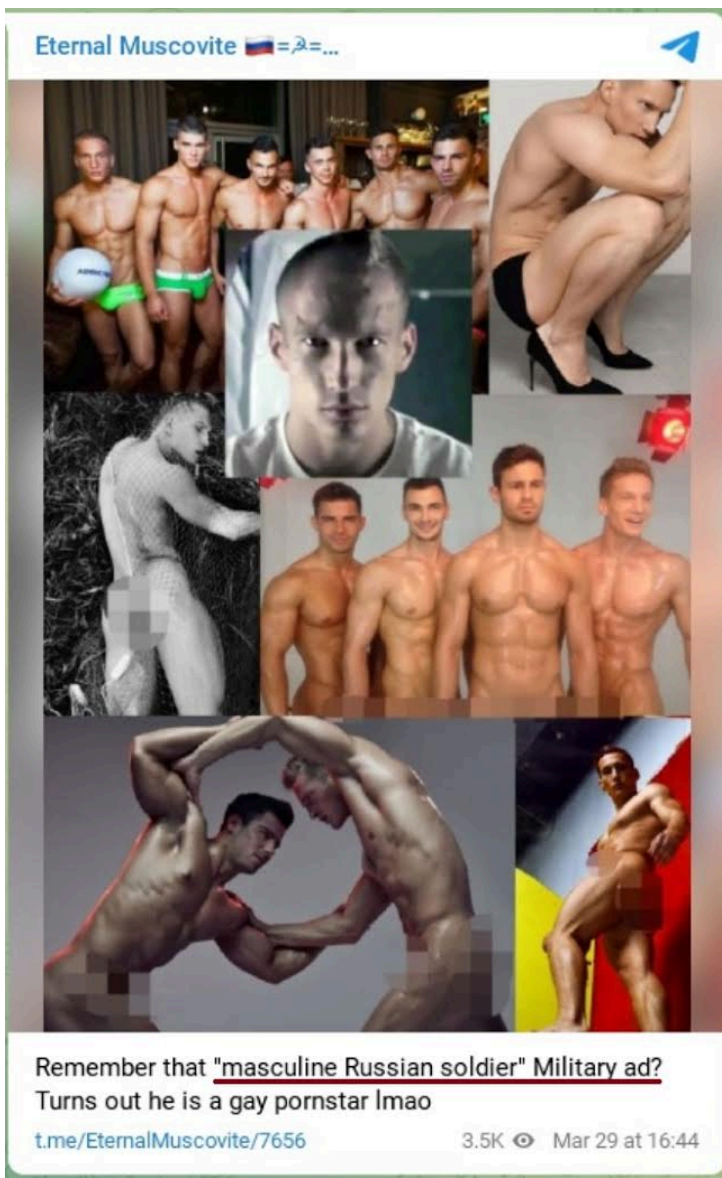

I believe that this is the fifth psy-war victory the communists have gained in the West. To do so, they have relied on the efficient action of a fifth column installed in the core of groups that, naturally speaking, would be their most radical enemies.

Here we have some of fruits of a type of war whose efficiency in great part relies on it being hidden and unknown."

Putin violates the Budapest Memorandum - the invasion of Ukraine is a violation of the Budapest Memorandum, 1994

Growing more and more unaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as we because we alone shall be offering them new directions for thought . . . of course through such persons as will not be suspected of solidarity with us.”

Operation Zionist government (SIG) is the Soviet strategy of using the Middle East conflict as a means of turning the world against the West and ushering in world communism. The operation uses friendlies on both sides of the Israel/Palestine/Arab conflict to build up the Zionist oppression narrative as a perceived continuation of Western “colonialism”. The strategy involves Israel allowing itself to be used as the bad guy as a means of framing the West for its crimes in the region. During the confrontational period, these agents were afraid to act because of the danger of exposure. Now, following Gorbachëv's visit, they can be activated. active interference in American politics. It gives them the chance to activate and use for their strategic purposes the friends and agents of influence they have acquired within the American elite over the past twenty-five years. During the confrontational period, these agents were afraid to act because of the danger of exposure.

Now, following Gorbachëv's visit, they can be activated. Gorbachëv's Leninist ideas on restructuring will become much better known and every effort will be made to identify and isolate those conservative American anti-Communists who do not embrace Gorbachëv and 'perestroika' as obstacles in the path of progress. Disinformation concerning the presence of so-called 'conservatives' in the Soviet Union and their 'resistance' to 'perestroika' will underline this point and will help to present fictitious Soviet 'liberals' and genuine American liberals as natural allies in the restructuring and convergence of their two societies.

The KGB can be expected to try to plant its agents among American experts on the Soviet Union as official or unofficial advisers on national security affairs. Aside from a future visit to the Soviet Union by the Pope, one may expect publication in the Soviet Union of Aleksandr Solzhenitsyn's works and his return to his home country. The so-called cultural defectors will also pay return visits to the USSR. Fresh

His two-volume history of the Jews in Russia, *Dvesti let vmeste* (Two Hundred Years Together, 2002), caused renewed controversy, resuscitating charges of covert anti-Semitism that had appeared now and again (usually maliciously) throughout his career. In fact his view on the subject was a complex and nuanced one, as was only to be expected of a man whose second wife was Jewish, and whose three sons from that marriage had been brought up in the Judaic faith.

Those influenced by the Judeo-Freemasons avoid mentioning Bezmenov, Golitsyn, & the testimony of Litvinenko.

(Protocol 17)

WE SHALL DESTROY THE CLERGY

2. WE HAVE LONG PAST TAKEN CARE TO DISCREDIT THE PRIESTHOOD OF THE "*GOYIM*," and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. [...] We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress.

3. When the time comes finally to destroy the papal court the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.

4. THE KING OF THE JEWS WILL BE THE REAL POPE OF THE UNIVERSE, THE PATRIARCH OF THE INTERNATIONAL CHURCH

5. But, IN THE MEANTIME, while we are re-educating youth in **new traditional religions and afterwards in ours**, WE SHALL NOT OVERTLY LAY A FINGER ON EXISTING CHURCHES, BUT WE SHALL FIGHT AGAINST THEM BY CRITICISM CALCULATED TO PRODUCE SCHISM . . .

Now that Benedict XVI is gone, **Vigano is the de facto "Pope" for the alt-right to sow division & lead flocks to a new esoteric perennialist religion.**

Words of the Revolution:

Judeo-Freemasons employ common language with various meanings to deceive Catholics into adopting the rhetoric & fueling the Revolution.

2002 article on the Role of Religion in the Economic Forum (includes Rabbi Schneier whom Vigano praises for his work on religious freedom & freedom of conscience):

<https://www.jta.org/2002/02/05/lifestyle/religion-has-role-at-economic-forum>

'Rabbis at the Forum said religious leaders sometimes can build trust where politicians can't. Sacks, who has developed friendships with Muslim leaders in England, described a "common language" among people of faith.'

Common buzz words to deceive the elect into collaborating in their own demise:

"Liberal(ism)": a "hot" buzz word - emphasized & circulated in this Revolution to demoralize Catholics of the West & to lure us into a Jewish New World Order collectivist values system. **Dugin** (architect of the Alt-Right/New Resistance lingo) **reveals that the frequent condemning of "liberalism" of the West is because he opposes individuality & desires "COLLECTIVISM"**. <https://youtu.be/wliKiDnMSFw?t=2100>

Protocol 15:6 "We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of COLLECTIVISM"

<https://web.archive.org/web/20210422230449/http://www.biblebelievers.org.au/przion5.htm#protocol%20No.%2015>

"Liberal" has several meanings, one of which denotes individual freedom, such as a Liberal Arts education (an education for a free individual vs. a collectivist education for slaves). Catholics are accustomed to defining "liberal" as an emancipation of man from moral & Divine order, so they forget that "liberal" has another definition related to individuality that is not opposed to Catholicism. Jesus

was about saving the individual soul (not a collective soul) & God allowed an individual free will. Classical ed experts are careful to use the term “progressive” versus “liberal” since “liberal” traditionally has had a definition congruent with Christian teaching.

The 'universal pluralism' or 'Multipolarity' Dugin wishes to replace liberalism/modernity with, is in fact socialism and communism:

(Jew) Professor Roger Dommergue.

"The occult power (i.e. Jews) want to collapse the liberal class (order) & replace it with socialism/communism. Jean-Marie Le Pen (French political conservative) was used for that."

Russian philosopher Alexey Losev writing in 1929, recognised the Jewish origin of this dialectic:

"The command of **Kabbalah** is such that capitalism was replaced by socialism, **and liberalism by a new authoritarianism (Socialism). Socialism, undoubtedly, expresses the essence of Kabbalah more closely than capitalism, although, in general, these are necessary dialectical stages of the historical development of Kabbalah in general.** Socialism deprives God of the existence that liberalism still left for him – ideological. In socialism, for the first time, complete godlessness is established. The triad of liberalism, socialism and anarchism appear before us as the mysterious destinies of the **Kabbalistic** idea and as the gradually increasing triumph of Judaism. Jewry with all its dialectical and historical consequences is the bulwark of world Satanism." paragraphs 18 & 14 http://www.lib.ru/HRISTIAN/losev.txt_with-big-pictures.html

Father **Chazal** said: *"some points of Dugin's philosophy may be right...like when he said that liberalism is the biggest problem of our society, that is a true statement"* **Does Father Chazal realize that Dugin is opposed to liberalism because he desires collectivism & socialism? Why is Fr. Chazal referring to “true statements” of a Satanist (who desires the Left Hand Path), Aleister Crowley devotee, founder of the National Bolshevik Party, & who admits to wanting to destroy Catholicism? Fr. Chazal also said, “Vladimir Putin, who gave recently a beautiful speech accusing yet again Europe of degenerations...accusing Europe to think entirely in rebellion against God and against the natural order, which is quite refreshing to hear from a whole head of state and the head of a quite a powerful State as Russia.” It is horrifying that some clergy buy into the marketing ploys of the Jews & elevate these enemies of Christ!** These accusations made by Putin against the West is like the pot calling the kettle black, except that Russia is far more tarnished! His rhetoric is to complete a long-term goal of an Antichrist World Order.

“Conservative” – Judeo-Freemasons wish to create the global hive mind for a collective **"conservatism", which as defined below, is revolutionized to lead us into Communitarianism (Communism + Capitalism + Social Responsibility).** Western definitions of the terms “liberal” & “conservative” do not apply in other parts of the world. For example, if someone takes a **“conservative” position** in Ukraine, it means they take a **Soviet, Marxist, Leninist position** per Fr. Charron. Bolshevik **Dugin's Fourth Political Theory is called a Conservative Revolution.**²¹

Political Conservatism seeks to maintain the recognizably good fruits of the Catholic order, however, it is inherently unstable, as this order cannot be maintained, without God's grace as bestowed through Catholicism. Basically, it is a natural law/protestant political movement.

In the current world order, conservatism has been heisted by neo-Soviet Eurasianists, to deceive Western Conservatives to embrace the end of Western Civilization and accept the Jewish planned Eurasian NWO.

An excellent example of this, is **the deceitful assertion that Chinese communism is Conservative.** **Head of the International Eurasian Movement Alexander Dugin:** *'Chinese civilization uses everything that comes handy in its own interests. **This is the CONSERVATIVE REVOLUTION, this is the Fourth Political Theory.** The PRC is interested in benefiting even from **Chinese capitalism** — for example, the oligarchs are burdened with large **social and political obligations.** That is, it is **capitalism with social responsibility.** Even if they have a state, it does not belong to them to the end – this is common to Chinese civilization. If they think only of themselves, they will fall out of the system. The local oligarchs are **"communist"** and partially fulfill the state's duty. They are the "managers" of Great China.'*

Other red flags in article: "Our society has developed a '**collective** immunity,' as they say now, to extremism that leads to upheavals and social and political collapse."

"And of course, we're ready to work with our **partners** for the sake of **common** noble goals."

"Maybe the opposite occurs, but I've repeatedly heard the following: European citizens come here to get vaccinated with Sputnik V and buy a certificate [in Europe] saying they're vaccinated by Pfizer.

Seriously, this is what European doctors say. They believe that Sputnik is more reliable and safer."

"Traditional" in today's dialectic actually means **Perennialism** (in opposition to Catholicism)

"The Fourth Political Theory... stands on the side of 'Tradition'. What does Dugin mean by 'Tradition'? In various of his writings, including The Fourth Political Theory, Dugin expresses his admiration for the French esoteric philosopher, **René Guénon**. Indeed he has said that **he regards Guénon, together with Heidegger, as the most important influence on his thought.**" 16th para.

'The Perennialist School, also known as the Sophia Perennis and the **Traditionalist School**, was founded around the 1920s by apostate **René Guénon**. For those unfamiliar with Sophia Perennis, it seems to possess the same basic tenets as the **Theosophical Society** founded by **Madame Blavatsky** [a **Russian mystic**] and others... this esoteric cult is not only a form of Neo-Gnosticism but in some ways overlaps with the **New Age occultism**. Their fundamental belief is that of the "**Transcendent Unity of Religions**" which includes what they refer to as the major world religions in their pure original form. They preach that in order to seek "Truth" and "Union" with "The Absolute" one must embrace and follow properly any one of the main "Traditional Religions.'" ²² It's a form of false ecumenism.

However, Dugin thought Guenon was harsh on Aleister Crowley. Dr. Wolfgang Smith was a Perennialist, who wrote “Science and Myth” & “Cosmos and Transcendence”. Similarly, **Bolshevik Dugin & Vigano collaborated** in the Antonio Livi (Leading Opus Dei Priest) Philosophy Festival subtitled:

“Our future between Science and Transcendence”.

The annual Festivals are to lure Catholics into Perennialism.

Announcement: “To the great reset we respond with a **great awakening**: the motto of the 1st Festival of Philosophy ‘**Antonio Livi**’ is the slogan launched by the **Russian thinker Alexander Dugin, then taken up by Monsignor Carlo Maria Vigano**” Vigano praised the Modernist philosophies of Livi, which is congruent with Heidegger’s & Bolshevik Dugin’s twisted philosophies.

The program’s itinerary features controlled opposition speakers.

The Great Awakening team (with **Dugin as a key orchestrator**) arranged for **Vigano** to make the pro-modernist Opus Dei Livi introduction speech. (He praised Livi’s Common Sense philosophy, which is congruent with Heidegger principles. Vigano is used to honeypot conservatives with carefully scripted letters & speeches written by the Opus Dei team.)

Bolshevik Dugin was also a featured speaker, who promoted Heidegger concepts & other thoughts that could be summarized as a bunch of gobbledygook.

Aldo Maria Valli (another speaker) writes for Vigano & is tied to Opus Dei.

Pacini (moderator) attends Opus Dei’s Pontifical of the Holy Cross University, at which Livi was a leading priest.

Francesco Lamendola (whom Vigano acknowledged in his speech) is reported to have stated in a 2019 article entitled “L’ombra Segreta Della Chiesa” that Leo Zagami’s work is in agreement with Don Luigi Villa’s! (Zagami is a failed Italian musician who belonged to the gnostic church & freemasonry, claims to have belonged to the Illuminati, converted to Islam, has claimed that he is the Jewish messiah, & was on the

program of controlled opposition **Alex Jones** [who agreed with Zagami that "Muslims control the Federal Reserve and the Jewish lobby is fighting to get it back to the American people"!)]

"An activity of primary importance also consists for them (the Jews) in creating worldly 'saints', who in this realm can control the masses with a definite political goal, which is useful for the Synagogue of Satan".

Vigano is intentionally leading souls astray by leading Catholics to the enemies of Christ. Studies have proven that Vigano lied in his 11-page testimony on McCarrick.^{23 24} Upon close examination, one can see the writer's true beliefs:

<https://www.fromrome.info/2020/05/27/archbishop-vigano-omits-faith-in-jesus-christ-and-the-church-in-letter-to-rabbi/>

Controlled pundits in the U.S. intentionally omit details of Vigano's activities & speeches, & most Catholics cannot detect the poison hidden in truth. The SSPX used to warn about Opus Dei and their anti-Catholic philosophies. Today, we hear NO WARNINGS about these enemies...only support.

Patriarch Kirill's thoughts on "traditional" religions:

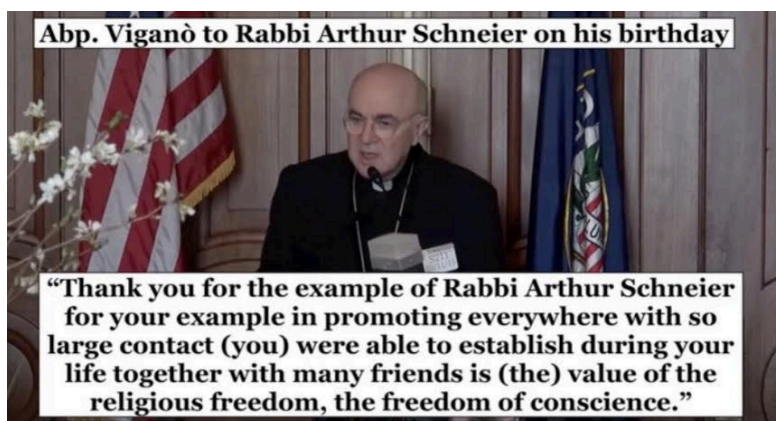

Rabbi Schneier (whom Vigano praises for his work on religious freedom & freedom of conscience) met with Patriarch Kirill in 2017:

<https://appealofconscience.org/his-holiness-patriarch-kirill-meets-with-president-of-the-appeal-of-conscience-foundation/>

Patriarch Kirill said: "Our cooperation with **traditional** religions seems to be even more successful than our relations with certain Christian Protestant denominations. We feel it in our work at the Interreligious Council of Russia. **The Orthodox, the Jews, the Muslims and the Buddhists are close in their understanding of the fundamental moral problems**... Common response to the challenges of the contemporary world opens new prospects in the inter-religious dialogue."
[No mention of Catholics]

The promotion of perennialism/tradition, is to provide a fundamental basis for the Noahide laws, to be implemented by the Jewish messiah/antichrist:

"Contemporary Jewish philosopher David Novak has written regarding the 'rational conditions' that are necessary for the acceptance of God's (Torah) law, **including those commandments that are clearly not rational and are perceived as 'Divine positive law'**."

page 57

https://macsphere.mcmaster.ca/bitstream/11375/22826/2/Milevsky_Jonathan_L_finalsubmission_201710_ReligiousStudiesPhD.pdf

Likewise, in an article called '**Noahide Commandments and Natural Law**', Jew Joshua Golding cites the preeminent Jewish philosopher Maimonides:

"For Maimonides, a non-Jew lives a moral life if he behaves virtuously just on the basis of reason alone. But he lives a pious life only if he fulfills God's will out of a sense of obedience. **On this view, Noahides have obligations that go beyond ordinary morality and that stem from divine commandments that establish a covenantal relationship between God and mankind.**" last paragraph

<https://voegelinview.com/noahide-commandments-and-natural-law/>

In all, Perennialism is a basis for a world system of rational law, as preparatory for the universal introduction of the Noahide laws and not Christ's Gospel.

Under the Noahide laws, Christians are condemned to death by beheading for idolatry, in worship of the Most Holy Trinity.

7th CHABAD Rebbe Mendel Schneerson:

"It is known that all creation, including the peoples of the world, is not an end in itself, but was created for the Jews. As it is said : "In the beginning - for the sake of the Jews, who are the beginning." This applies to everything in the world. During the exile, this is not obvious to everyone, but in the future, when the true

essence of all creation is revealed, it will become clear to everyone that the goal of everything on earth, including the peoples of the world, is the Jewish people.

From this it follows logically that **if one of the peoples of the world does not serve the Jews, then he will lose the right to exist. This is also the reason why the descendants of Noah deserve death if they break one of the seven commandments."**

Eurasian Convergence of Special Services and Traditionalists

Important

Jewish mystics, unlike representatives of reformed Judaism, see U.S. globalism as the greatest threat - the embodiment of "Erev Rav" - "The Great Mixture" - the Antichrist which threatens the very essence of Jewish civilization. The same is true for some Sufi mystics. It was these general guidelines that formed the basis of the Eurasian project, which began to be prepared simultaneously in Israel and Russia. Shmulevich's old connections helped him to reach out to the patriots of the Russian and Israeli intelligence services, bring them together and present them ideas about Erev Rav, the Eurasian union of traditionalists with Islamic mystics, to bring them to the right contacts in the Islamic traditionalist environment. Shmulevich himself was still in the Union with this plan, he introduced him, including Colonel Putin during his work in Leningrad.

At the same time, since the beginning of perestroika in Russia, relying on patriots in the Russian special services eager for revenge for the collapse of the USSR, the famous philosopher and geopolitician Alexander Dugin has prepared the ground for the Eurasian project. Here, the main emphasis was placed on the formation of a counter-elite, based on the convergence of special services that feuded with each other in the Soviet period and intellectuals of traditionalists, able to combine organizational capabilities and a serious ideological base at some point replace the old, degenerated elite. Given the extensive contacts of future President Putin with these circles, it is not surprising that when he came to power, Putin adopted geopolitics, and Dugin became the main Kremlin developer of the Eurasian idea and the creator of the geopolitical concept of the Eurasian strategic bloc based on traditionalism, interfaith harmony and Eurasian federalism. Already during this period, the special services brought Shmulevich together with Dugin, and then what it turned into was made public. We are talking about the creation of an intellectual strategic center, an unspoken

Alexander Dugin – 'Principles and strategy of coming war:

"It is obvious that you can only wage war effectively with an external enemy if the society is quite consolidated and mobilized internally. It is desirable to be mentally prepared for the war. To do this, people must understand who is the enemy and who is not, and, most importantly, why this is the case and not so otherwise. You mustn't demonize the enemy at the very beginning of the war.

The image of the enemy must be formed in advance and deliberately....

Therefore, the first task to gain victory would be real fully-fledged company to create the entirely negative, monstrous, satanic image of the United States and the West in general. Therefore, the West is a place where the devil resides. It is the centre of the global capitalist tentacles. It is the matrix of rotting cultural perversion and a vice grip of falsehood and cynicism, violence and hypocrisy.

Russia already does this... Russia is collaborating with Israel to set up a global Jewish communist world order, the West is an obstacle

Mr Golitsyn on the threat of the still communist Russia/Eastern bloc to Christianity:

"The Vatican should reverse its mistaken support for the renewal of the Communist regimes in the USSR & Eastern Europe. The Vatican ignores the anti-Western design of Soviet strategy. It fails to see that greater apparent official tolerance of religion in the Soviet Union is accompanied by a secret drive to increase KGB penetration of the Catholic & other churches, to use agents therein for political & strategic purposes inside & outside the Soviet Union. As part of the program to destroy religion from within, the KGB, in the late 1950s, started sending dedicated young Communists to Church academies & seminaries to train them as future church leaders. When these agents have achieved their goals, a mass withdrawal of them will occur to disrupt & destroy the churches. Never in its history since Nero has Christianity faced such a threat of possible destruction."

The undisguised apology for terror, the thirst to turn Orthodoxy into a revolutionary-terrorist ideology also does not inspire a desire to get closer to this man" (p. 142). "In general, it is the usual "esotericism": continuous "tactical tricks" to carry out their work on mutating Christianity into something corresponding to Kabbalistic-Masonic standards" (p. 144)." para 6 http://www.religare.ru/2_71336.html

In order to bring religions together, the Roman Catholic belief system is being nudged toward the esoteric Kabbalistic-leaning Russian "orthodox". (Russia's errors are more than the filioque. Her errors include Bolshevism.)

“Moscow as the Third Rome” (the mantra of **Bolshevik Dugin and Vigano**) is the Satan-moshiach world empire that the Jews want to establish (with Moscow as civil capital of the antichrist), in succession to the first two world empires, namely the Roman and then Byzantium. The latter two were Christian (Rome, eventually in the 4th century). The Third Rome will be a world Jewish empire. The Roman empire now is the West and the Byzantine Russia/Eastern Europe. Basically, Satan wants total control of them to triumph over Christianity. Jew Lenin entered the East in 1917 through St. Petersburg and Jews have total control of Russia and the East (via the Perestroika Deception - see below). Communist Russia will enter the West through St. Peter's Rome, signifying the conquering of the Catholic West. Everything that happens is spiritual. When Russia marches upon all the nations of Europe, particularly Italy, & raises her flag over the dome of St. Peter's, spiritually Satan will apparently have conquered Catholicism and, spiritually, that opens the gate for moschiach. "Judeo-Christian"

Opus Dei assets (influenced by non-Christians) use this term to nudge Catholics toward a Kabbalistic faith.

'One erroneous and deceptive term that has come on the scene a few decades ago is Judeo-Christian. It's better to take the words of the rabbis to better understand its meaning than to take the words of a Christian who could be regarded as an anti-Semite, another term that makes no sense. Here the names and the dates will be listed for these quotes as it would take up too much space to list their biographies:

"There is no such thing as a Judeo-Christian religion. We consider the two religions so different that one excludes the other. " – RABBI MOSHE MAGGAL, 1961, when the term was relatively new.

"The Communist soul is the soul of Judaism. " – RABBI HARRY WATON

"I call this process the Judaization of Christianity because Christianity will be the vehicle through which this society becomes Jewish. " – RABBI MARTIN SIEGEL, 1972

"Some call it Marxism. I call it Judaism." – RABBI STEPHEN WISE, America's leading Rabbi, spoken in 1936.

"Thanks to the power of our International banks, we have forced the Christians into wars without number. Wars have a special value for us Jews, since Christians massacre each other and make room for us Jews. Wars are the Jews' harvest: The Jew banks grow fat on Christian wars, and the end is not yet. " - RABBI REICHORN, 1869

One thing is certain: There is nothing Jewish about our heritage, our ethics, our morals, our values or our virtues. It makes the term Judeo-Christian an oxymoron, as they are as different as hot and cold or day and night. Since He knows the end from the beginning, why would God Almighty choose these anti-Christ people to be His chosen people, above all people on Earth?'²⁹

"As to dialogue in the purely theological sense, nothing could be more fruitless or pointless. Judaism is Judaism BECAUSE IT REJECTS CHRISTIANITY; and Christianity is Christianity BECAUSE IT REJECTS JUDAISM. What are usually referred to as the JEWISH- CHRISTIAN TRADITIONS EXISTS ONLY IN CHRISTIAN OR SECULARIST FANTASY."

– Rabbi Eliezar Berkowitz, chairman of the department of Jewish philosophy, at the Hebrew Theological College 1966"³⁰

"Education" a term the Kabbalists/Jews use to deceive...such as "Education Day" that all Presidents have signed since Carter at the bequest of Chabad Jews to bring us into the Noahide Laws. "Chinuch" is a Jewish term for Education & is a term related to setting up the Temple. 'The word Hanukkah is associated with the meaning of chinuch - "sanctification" or "dedication" . This meaning of the word is clearly seen in the expressions hanukat hamizbeyah ("dedication of the altar") and hanukat Beit Hamikdash ("dedication of the Temple"). The meaning of these expressions: "beginning," the beginning of serving the Almighty (in general in the Temple and in particular on the altar and at the lighting of the Menorah, the temple lamp) is the same as education (chinuch).' ³¹

"Christ is King" is a purposely coordinated mantra to deceive the Christian Right to accept the end of Western Civilization and to receive the Eurasian New World Order in line with the Chabad WWII Eurasian Empire script. Taylor Marshall, who has been key in initiating the "Christ is King" movement, refers to "Christ" as the Moshiah, which is an exclusively Jewish term.³⁹ Jews also call their messiah "Christ".

Russian author Viktor Ostretsov: Freemasonry, Culture & Russian history. **"The Freemasonic meaning of Christ, has nothing to do with the Christ of the Gospel, but has long been considered a parallel term for the Kabbalistic sephirot."** paras 3-5

Viktor Ostretsov: Freemasonry, Culture & Russian history.

"One should immediately notice an important detail that regularly misleads researchers of Freemasonry. The name of Jesus Christ was very widely used in Masonic literature and before that, among the Gnostics of the 1st-11th centuries. This is the name of one of the eons, an analogy of the sephirot (emanations of God), among the Gnostics, Manichaeans and Kabbalists, which has nothing to do with the historical, gospel Christ.

Both the Gnostics and Kabbalists understood the texts and the entire content of the Gospel exclusively in an allegorical sense. Jesus Christ in this interpretation, is a product of the emanation of Ein-Sof (Kabbalistic term for God) among other eons. In addition, the Jesus Christ, served as a substitute for the name Jehovah.

In the notebooks of S. S. Lansky, the Gnostic meaning of the concept of "Trinity" is defined."

4. **NOT A SINGLE ANNOUNCEMENT WILL REACH THE PUBLIC WITHOUT OUR CONTROL.** Even now this is already being attained by us inasmuch as all news items are received by a few agencies, in whose offices they are focused from all parts of the world. These agencies will then be already entirely ours and will give publicity only to what we dictate to them.
5. If already now we have contrived to possess ourselves of the minds of the GOY communities to such an extent they all come near **looking upon the events of the world through the coloured glasses of those spectacles we are setting astride their noses;**
11. In the third rank **we shall set up our own, to all appearance, opposition,** which, in at least one of its organs, will present what looks like the very antipodes to us. **Our real opponents at heart will accept this simulated opposition as their own** and will show us their cards.
12. All our newspapers will be of all possible complexions—aristocratic, republican, revolutionary, even anarchical—for so long, of course, as the constitution exists . . . Like the Indian idol "*Vishnu*" they will have a hundred hands, and **every one of them will have a finger on any one of the public opinions as required.** When a pulse quickens these hands will lead opinion in the direction of our aims, for an excited patient loses all power of judgment and easily yields to suggestion. Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us. In the vain belief that they are following the organ of their party they will, in fact, follow the flag which we hang out for them.

The Left (i.e. the "Woke") **is working in sync with the Alt-Right** (the Great "Awakening" Team/New Resistance/Russophile "Tradts") **to fulfill the WEF goals of taking down America (& what remains of the Christian West) and raising up Russia for the Great Reset/Great Awakening anti-Christ New World Order with a blockchained NWO Religion that will flow from the East** (as Father Fahey warned).

Brother Nathaniel is trying to keep the conversation in the theological realm, when it has very clearly moved to the legal realm. **THIS!**

Anyone not calling out Noahide Laws and Chabad Lubavitch is a subversive and working against the truth.

@AsTheRain1

In fact, people who teach about the faith and are correct and almost everything but wrong in only one or two matters, are the most dangerous of false teachers, as Pope Leo XIII warned.

"Partial truth," then, is not praiseworthy but *worthless*; it is complete error. Just as a single pin can pop an entire balloon, so denying or doubting a single dogma renders one *wholly a non-Catholic* — not a "partial Catholic" or "pretty much" a Catholic or a "Catholic for the most part". In fact, Pope Leo XIII warned that those heretics who admit nearly all truths of the Catholic Faith but reject a single one are the most dangerous of them all: "There can be nothing more dangerous than those heretics who admit nearly the whole cycle of doctrine, and yet by one word, as with a drop of poison, infect the real and simple faith taught by our Lord and handed down by Apostolic tradition" (Encyclical *Satis Cognitum*, n. 9).

There are a number of Jews who support Opus Dei financially or by donating their time and talent, according to William Schmitt, a spokesman for Opus Dei in the United States.

They, along with an unknown number of other non-Catholics and non-Christians who support Opus Dei's work, are called "cooperators."

Rabbi Leon Klenicki, director of interfaith affairs at the Anti-Defamation League, has had ongoing contact with Opus Dei for more than a decade.

Dylan Eucharistic Conferences, their Assist brotherhood tests, their shell-game antics in the matter of Fatima, and their brazen disregard for the rights and rituals of classic Catholicism.

To be sure, Escriva and Opus Dei represent a leopard with a very different pattern of spots and manner of operating. Whereas the others have generally been diluters of the sacrificial chalices -- adding the pale water of liberalism to the good wine of orthodoxy -- Escriva and Opus Dei have brought an additive of unmistakable potency: *Serviam*, the spirit of true believers. Here are people who look, act, and sound like the solid old Catholics of yesteryear -- in fact, more so. And that's just the problem: in their scrupulous adherence to the fierce and narrow demands of their humorless and superorthodox prelature, Opus Dei members inevitably become more "Catholic" than Catholicism -- especially in the respective matters of self-discipline, spiritual direction, and reverence for authority. And nowhere is that reverence more evident than in the unthinking, uncritical, and virtually Maoist way they praise and quote the man variously called "the Father," "Our Father," and "the Founder."

Now, it seems, they'll also be calling him "the Saint." And whether they'll be calling him that in truth or misbelief is a matter of the gravest concern, notwithstanding the dictum of Thomas Aquinas that infallibility is

On the outside, Hanssen seemed to be the ideal Catholic: pious and dedicated, a firm parent, a loving husband, a dedicated and thorough worker. Who would ever guess the secret and dark life within? In a similar way, Opus Dei members on the outside can seem pious and dedicated, and as they repeatedly defend to the public, dedicated to living ordinary, godly lives. Yet on closer examination, the reality is that Opus Dei members live in a system that disconnects the actual practices of the group -- often manipulative and deceptive -- from its lofty ideals -- which in the mind justify actions and ways of thinking that would be clearly wrong if taken out of the context of the "higher goal." (For example, Opus Dei numeraries are required to develop strategies with their directors for drawing potential members closer to Opus Dei, even to the point of manipulating behind the scenes to make a humanly orchestrated plan look like a spontaneous vision from God.) The result is a paradoxical, "Jekyll/Hyde" mentality that justifies abuses for the sake of the higher good.

One might ask, how could a person live in such a way and not see the disparities and

Per Father DeLallo's Cultural Marxism booklet:

'Alinsky teaches: "The end justifies almost any means. Moral rationalization is indispensable at times of action, whether to justify the selection or the use of ends and means."

Alinsky's method of confronting an adversary is not to refute the truth of his adversary's arguments but rather to attack the person of his adversary, i.e., his personal character, by means of lies, false accusations, detraction, **misrepresentation of facts and events**, etc. Thus, by painting his adversary as a wicked person in the eyes of the people, **he deflects attention away from his own evil actions and agenda while ruining the credibility of his adversary's arguments. This practice is a common communist tactic to silence the opposition.'**

Michael Matt uses Alinsky methods, which are also the tactics of Opus Dei. See examples of "the end justifies the means" anti-Catholic statements of Michael Matt.

Michael Matt's statements are alarming & anti-Catholic. Michael Matt let us know (more than once) that he believes it is acceptable to use deception as a means to an end...an end that in itself is corrupt. The end is certainly not the scripted fantasy that Putin is some kind of Christian savior. The "demons" running the "free countries", including Putin, are ALL puppets working on the global Jewish plan to annihilate the flocks.

Michael Matt has led Catholics to support Jordan Peterson (a tool of the Jews - video on Peterson's Freemason/occult activity here: <https://www.bitchute.com/video/GWlpCkqu0Gr3>), Elon Musk (a WEF/Jew tool), Jew Putin, Vigano (subtly poisoning the flocks with collaborators: Opus Dei, Bolshevik Dugin, Zionist Bannon, traitor & anti-Catholic Flynn, et al.), Archbp. Schneider (who wants the SSPX enveloped by Opus Dei), & other nefarious characters & agendas that work against the True Catholic Faith.

PUTIN'S FAKE PEOPLE (used in marketing ploys):

Putin's fake people

The "military" from Putin's New Year's address turned out to be mummies. Which, incidentally, is not surprising, Putin is terribly afraid of his own people. Therefore, the role of the people is performed by FSO employees.

On the air of the state television channel Russia showed a recording of the awarding of the military, which were shown at the President's New Year's address. **She introduced herself there as the captain of the medical service Fedorenko Anna Sergeevna .**

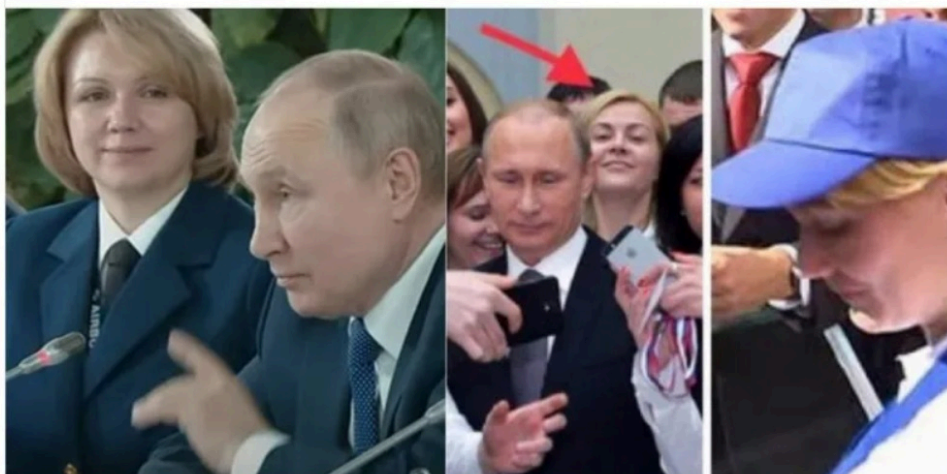

In September 2016, the president was photographed on a lake in the Novgorod region along with fishermen.

And in January 2017, these same people were noticed at a Christmas service in a Novgorod monastery.

«Продавщица мороженого». «Рыбачка». «Стюардесса» рядом. Цирк.

In 2017 and 2019, Putin bought ice cream from the same saleswoman at the International Aviation and Space Salon. On the NTV channel, she introduced herself as Ekaterina Safonova.

Remember how Putin met fishermen and went to church, where he was surrounded by the same people - fake fishermen and parishioners? Meeting with stewardesses and here again - these people can be seen among the initiative group in Kemerovo.

Putin's "Christianity":

<https://www.christiantoday.com/article/i.wont.vote.for.putin.darkness.says.russian.orthodox.bishop/124311.htm>

Putin states: "Communist ideology is very similar to Christianity: freedom, brotherhood, equality, justice. All those things are in the Bible. Take the moral code of the Builder of Communism, for example. This is a projection, a simple extract from the Bible. They didn't invent anything new. For example, they put Lenin in the Mausoleum. Is that any different from hallows for Orthodox Church? For any Christian in fact."

Exiled at Home: Russia's Believers Cry Out to God over Law Banning Christian Talk

Thousands of churches in Russia are coming together to fast and pray just days after President Vladimir Putin signed a new anti-terrorism bill into law that severely restricts Christians' freedom of faith.

The "Yarovaya" law is intended to limit the spread of terrorism and extremism, but church leaders say it punishes any kind of religious evangelization outside of the church.

"This new situation resembles the Soviet Union in 1929. At that time confession of faith was permitted only in church," Hannu Haukka, president of Great Commission Media Ministries, told National Religious Broadcasters. "Practically speaking, we are back in the same situation. These anti-terrorist laws are some of the most restrictive laws in post-Soviet history."

(Chapter 16 Reform of the Clergy)

Schneider's answer to good seminarian formation is to follow Opus Dei's twisted version of a spiritual director.

How would this best be achieved?

I think that we simply have to propose to seminarians the example of holy priests and recommend to them the timeless papal documents on the priesthood, especially those documents issued from Popes Pius X to John Paul II—in particular his annual letters to priests on Holy Thursday. In these documents one finds doctrinal, ascetical, and practical norms and proposals which are not only theoretical, but also very concrete. I prefer concreteness, because when we talk to seminarians in a general and theoretical way about the duty of the priest to strive for holiness, it is often ineffective. *Verba docent, exempla trahunt*; words teach, examples attract, human experience says.

We have to give seminarians and priests concrete instruction and practical examples of what they have to do on a daily basis, and of what exactly they have to avoid throughout the entire life. Besides the faithful, attentive, and devout praying of the Breviary, they have to be faithful to daily mental prayer and Eucharistic adoration, custody of the eyes, and some form of corporal mortification. Seminarians and priests—like every true Christian—must avoid absolutely any kind of pornography or voluntary watching of immoral films. Every seminarian or priest must lead an intense spiritual life. For this purpose, I must have a spiritual director. Here, for example, we can look gratefully for the Personal Prelature of Opus Dei, as it provides good help in offering spiritual direction for priests.

For a lasting and effective reform of the Church to take root we need a renewed love for the purity of doctrine, for the glory of Christ in the liturgy and in human society, and for the

(Chapter 10 The Society of St. Pius X)

The Novus Ordo Missae is good, the Second Vatican Council is good, SSPX should join with Vatican as they can always return to things the way they are if the Society doesn't like it.

... if you think they will come back into full communion, whatever the means?

"Full communion" is not the correct expression in my view; they are already in communion with the Church, since they recognize the current pope, mention him in the Canon, pray for him publicly, and pray for the local diocesan bishop. The SSPX has received faculties for absolution from the pope, and the priests of the SSPX may now obtain faculties from the diocesan bishop or from the parish priest canonically to assist at marriages.

Regularized?"

Yes, but the Holy See presented the last formula in 2017, and everyone knew that it would not be acceptable to the SSPX. Rome should have been more pastorally-minded and generous.

One of the requirements was that the pope should be given three names for the appointment of a bishop, and that he will choose one of those names. This prompts a concern that men will maneuver to be favorable to Pope Francis's vision more than perhaps the Society's, so you'll get these men coming to the top and this will eventually weaken the Society.

It could be, but Pope Francis is not eternal. I told them, "You cannot pin your concrete situation to one pontificate and make it dependent on that. This is too human; you have to have a supernatural vision, that God is guiding His Church."

Were the SSPX seminarians and priests afterwards obliged

... we also discussed their assertion that the new Mass is "evil" or "bad." I told my interlocutors from the SSPX: "You should not speak in this manner." I told them that I am also not happy with the new Mass. I suggested that they use the expression "The new Mass has defects but is not an evil." I also said to them: "When you say that the new Mass is evil, you are accusing me of committing an evil, a sin, because I, too, celebrate the new Mass." I said to them: "You have to write down and present your criticisms, that is good, but do it with more careful language." The priests with whom I spoke demonstrated a good theological training. However, they also have to consider objectively what was good in the Council, and this does not mean that they must accept the entire Council. What is, in itself, true and good—even in the new Mass—could be accepted.

Anthony Stine wrote his thesis on Catholic Social Teachings that support Sustainability & social aspects of Sustainability. Some of the red flags include referencing Dorothy Day⁴³, Jean-Jacques Rousseau, Catholic Campaign for Human Development, the term "Judeo-Christian", requiring rejection of individualism for the betterment of our neighbors near & far, includes Opus Dei-sounding emphasis on laity, & priests included under the "role of the lay person" (OD advocates the priesthood of the laity). He welcomes Islamic & Buddhist perspectives. He says, "An integrated approach to understanding sustainability is rooted in concepts of justice, which each of these traditions offer."

Israel's former Soviet immigrants transform adopted country

Russian-speaking Jews who arrived over the past 20 years have integrated little, but influenced everything from culture to politics

The million-plus citizens of the former Soviet Union who migrated to Israel in the past 20 years have not only made new lives of their own but they have transformed their adopted country. They have influenced the culture, hi-tech industry, language, education and, perhaps most significantly, Israeli politics.

Catholic prophecies regarding the coming of antichrist (the Jewish moshiah - John 5:43) and the building of the third temple in Jerusalem.

St. Hippolytus (170-235).

"Christ arose from among the Hebrews and he (Antichrist) will spring from among the Jews. Christ showed His flesh as a Temple, and raised it up on the third day; and he, too, will raise up again the Temple of stone in Jerusalem."

St. Irenaeus (125 - 202)

"At the time of his reign antichrist will command that Jerusalem be rebuilt in its splendour and will make it a great and populous city, second to none in the world and will order his palace to be built there."

Adso the Monk, 10th Century

"Antichrist will be born of Jewish parents, of the tribe of Dan, but his mother will not be a virgin, as many believe. As the Holy Ghost came into the heart of Mary, so will the devil enter into the mother of Antichrist, and his diabolical power will always support him. Babylon will be his birthplace, but he will be reared and instructed in Bethsaida and Corozain. After his education at the hands of malignant spirits he will go to Jerusalem and place his seat in the Temple which he will have restored. He will submit to the rite of circumcision, claiming that he is the Son of the Omnipotent God. His first converts will be kings and princes. His influence will extend from sea to sea, largely through force and persuasive eloquence. He will perform many signs and great miracles. Those who believe in him will be marked on the forehead with a sign. For three and a half years he will hold sway and, at the end of that period, he will put to death - Henech and Elias, who will have previously opposed him by preaching the true faith. Antichrist will be killed by Michael the Archangel (who is the 'spirit of his mouth' - 2 Thessalonians 2)."

St. Zenobius (337-417)

"Antichrist, the son of perdition will be born in Corozain, will be brought up in Bethsaida and shall begin to reign in Capharnaum, according to what Our Lord Jesus said in the Gospel: "Woe to thee Corozain ... woe to thee Bethsaida ... and thou Capharnaum that art exalted up to heaven, thou shalt be thrust down to hell. (Luke, 10:13) Antichrist shall work a thousand prodigies on earth. He will make the blind see, the deaf hear, the lame walk, the dead rise, so that even the Elect, if possible, shall be deceived by his magical arts. Puffed up with pride, Antichrist shall enter in triumph the city of Jerusalem and will sit on a throne in the Temple to be adored as if he were the Son of God. His heart being intoxicated with arrogance, he will forget his being a mere man, and the son of a woman of the tribe of Dan."

Great St Bridget (13013-1373)

"The time of Antichrist will be near when the measure of injustice will overflow and when wickedness has grown to immense proportions, when Christians love heresies and the unjust trample underfoot the servants of God.

At the end of this age, the Antichrist will be born....

Lastly, he shall arrive, the most wicked of men, and helped by the Jews, he will fight against the whole world; he will reign during three years, and shall have dominion over the whole earth; he will make every effort to abolish from the earth the Christian name, and very many Christians shall be killed."

St Cyril of Jerusalem (315 - 386 RIP)

"And after these shall arise antichrist and having by the signs and lying wonders of his magical deceit, beguiled the Jews as though he were the expected Christ, he shall afterwards characterize himself by all kinds of excesses of cruelty and lawlessness...and he shall perpetrate such things for 3 years and 6 months

"Antichrist will exceed in malice, perversity, lust, wickedness, impiety, and ruthlessness and barbarity all men that have ever disgraced human nature. Hence St. Paul emphatically calls him 'the man of sin the son of perdition, the wicked one, whose birth and coming is through the operation of Satan, in all manner of seduction and iniquity.' (2 Thess; 2). Through his great power, deceit and malice he shall succeed in decoying or forcing to his worship two thirds of mankind; the remaining third part of men will continue true to the faith and worship of Jesus Christ most steadfastly. But in his satanic rage and fury, Antichrist will persecute these brave and devout Christians during three years and a half, and torture them with such an extremity of barbarity, with all the old and newly invented instruments of pain, as to exceed all past persecutors of the Church combined. He will oblige all his followers to bear impressed upon their foreheads or right hands the mark of the Beast and will starve to death all those who refuse to receive it.

This one shall seize the power of the Roman Empire and shall falsely style himself Christ. By the name Christ he shall deceive the Jews who are expecting the anointed and he shall seduce the Gentiles by his magical illusions."
